Family Picnic– At the field Sunday, July 13, 10 AM until ???

President's Message:

Good news! There is no risk of a drought this year. Here's what's going on:

The annual family picnic will be held on Sunday, July 13th, rain or shine, starting at around 10AM. Please bring a small dish to pass. The club will provide hamburgers, hot dogs, sodas, plates, napkins and forks. Bring the family along, bring a plane, lets have some fun! Instructors will be available if you haven't soloed yet.

The annual Fun Fly will be on Saturday, August 16th starting at noon. More info to follow in another newsletter. Watch for postings at the field.

FOR SALE: Direct Connection Eclipse Trainer:
Approximately 80-90% built (most of the covering is done) About 8 years old. Includes DCSP (Direct Connection) .40 engine (new), Futaba Conquest 4 ch. Radio (Ch 53), some starting accessories, spinner, prop, glow plug, wheels. Asking \$225.00 or best offer. Call Bill Perrine 487-1558

Also For Sale: Master modeler Jack Gibson has decided to get out of the hobby. He has several immaculate aircraft for sale. A detailed list is posted at the field or you can contact him directly at (315) 635-1198 gibsonjack@msn.com.

Another good reason to be an AMA member: I recently visited the Glenn Curtis Museum in Hammondsport. AMA members get a \$2.00 discount on admission. If you go there 29 times, it's like getting your membership for free.

Training nights have been going well. We have several new members participating. Remember, Thursday nights are for instruction only.

The STARS are doing Pylon Races again. There is one this Saturday. If you haven't experienced this fast-paced sport, stop over and see what it's all about. Bring a hard hat if you have one. By the way, hard hats are not required for our picnic.

I hope to see you at the picnic!
