ARCS Annual Fun Fly Sunday Aug. 15th, Noon 'til 5

Club will provide Burgers, Dogs, Sodas
Prizes and Plaques will be awarded

General Rules:

- AMA Membership required
- 1 Plane per pilot
- Radio impound in effect. Frequency pin required before turning on transmitter
- No flying over pits or full-size runway
- No taxiing into pits

Events:

Blackjack:

12 squares will be laid out on the field, each with a number written in it. Pilots will take off and do touch-and-go's on the squares trying to total as close to 21 as possible without going over based on the initial strike point of the wheel. Maximum number of attempts is 6.

Carrier Landing:

A simulated aircraft carrier deck will be laid out on the field. Airplanes must land on the deck and remain on it. The shortest roll out wins. Planes touching down short of the deck or rolling off the deck will be disqualified.

Dice Roll:

6 common maneuvers will be chosen and numbered 1-6. Pilots roll a die to select which maneuver must be done. The die is rolled again to determine how many times the maneuver must be done. Timer starts when wheels leave the ground and stops when the wheels touch down. Shortest time wins.

Timed Freestyle:

Pilots draw a slip of paper out of a hat. You must fly the amount of time listed on the paper without the aid of any timing device (watches, timers on radios, etc.). Timer starts when wheels leave the ground and stops when the wheels touch down. Closest time wins.

Sun, Sept. 5	Stars Field	STARS annual air show
Sat-Sun, Oct. 2-3	New Jersey	AMA District II Fly-in
Fri, Oct. 8	7PM Walt's	Club Meeting

President's Message

Hi. It's time for our Annual Fun Fly. Details are on the other side of this sheet. The events are simple ones that any one who has soloed can do with a trainer. Walt's has donated a bag full of prizes so no one goes home empty-handed. I will be looking for help in cooking, timing and measuring. Nothing too difficult. Come out and have fun!

We had a good picnic on July 11th. Lots of members showed up and there was plenty to eat. The weather was great. Thanks to Mike Amie for organizing the food and to all who made this a success.

My wife and I just got back from the Mountain RC Fly in. This is the club that Walt belongs to in Old Forge. The field is an old airstrip which is very long but not too wide. The weather wasn't the best. Shifting, gusty winds and occasional showers made for interesting flying. Lots of good flying went on including a surprise pair of A-10's that flew over and buzzed the field. Walt must have friends in the Air Guard. ARCS members present were Mike Amie, Ed and Mrs. Byrns, Dick Schwarz, Dave and Ginger Mathewson and Don Perricone. Rain stopped everything at around 3PM. After that, we were all invited over to Walt's camp where we flew Puddle Masters off the lake in between storms. Thanks to Walt, Jan and Bruce for the good time and hospitality!

See you soon!

Herb.
