### President’s Message:

Happy February! I have a conflict this Friday and will not be able to attend the meeting. This is the first one I’ve missed since I’ve been in the club. My brother-in-law is getting married and they chose a date without consulting me. I originally told my wife I would not be able to go to the wedding because it was club meeting night. Let’s just say that comment was not very well received. I leave you in the capable hands of Mike Amie, Mike Moore and Al Metz.

- The STARS auction happened on the 15th. There were fewer aircraft than in previous years but the quality of what was there was excellent. Lots of good deals were made.
- Another model forum has come and gone. Attendance was about the same as last year with the total money made down a little, \$821.00 compared to \$969.25 last year. As in previous years we will donate this money to the school. Thanks to the many helpers who made the set-up and take-down go so smoothly. Thanks also to those who attended and lent a hand during the day with the many tasks that needed to be done.
- At the January meeting we approved the purchase of a 15 watt solar panel and associated hardware to set up a buddy-box charging station for the training program. A sale came up at Harbor Freight and I bought the panel and a charge regulator. Mike Moore is providing a battery. Walt and Bruce donated a charger. I have a few more items to buy and we will install it when the weather gets nicer.
- Bruce Throne has several models on display at the MOST for their Flight and Space program. Be sure to get down there to see it.
- A \$5.00 late fee is now in effect for club membership renewals. Also be sure your AMA is up to date.
- It appears that the slate of officers running for election will be Herb Ziegler– President, Mike Moore– Vice President, Kevin Kiniry– Treasurer and Al Metz– Secretary. Anyone else interested in running should contact me as soon as possible so I can get it in the newsletter. Elections will be during the March Meeting.
- Be sure to attend the STARS Snow –Fly on Sunday, March 7 starting at 11AM. They have a nice heated pavilion and good food.

See you soon.

*Herb.*

On January 10th, Bill Volcko gave me a ride in his Challenger. It was cold and windy but we had a great time. Here's a photo of my house and Bill's plane. Thanks Bill!
