President's Message:

I'm really enjoying the lack of snow this year. I'm sure we'll get plenty but for now it sure is nice.

- The annual holiday party was a smashing success again this year. A special thanks to Mike Amie for setting up the catering and Kevin Kiniry for arranging the use of the facility. See photos on the next page.
- The annual New Years Day fly-in went very well. There were high winds with mild temperatures and no snow. There were about 40 people there. About 6 people flew something. There are some photos on the following pages.
- Congratulations to the Baldwinsville Marching Band who won a $10,000 prize and a pre-game solo spot at the Gator Bowl! Our very own Ian Lang plays percussion with the band. While we were freezing our airplanes off, Ian was in Florida.
- The next date for MOST volunteering is Feb. 4th. This occurs the first Saturday of each month from 11AM to 3PM so feel free to contact me to get on the schedule.
- Remember to renew your club membership before the end of January to avoid the $5.00 late fee. Please use the form on page 3.
- Dick Skutt is looking for a TME Auto Trickle adapter. If you know of one please contact Dick at 391-7012 or dskutt1@yahoo.com.
- Preparations are under way for the Model Forum which will be January 28, 2012. The final organizational meeting will be on Jan 18th at 7:30 at the Denny's Restaurant on Erie Blvd where it crosses Genesee St. We could always use more help and fresh ideas.
- We will be setting up the rooms for the forum on Friday the 27th starting at 6:30. Any help will be greatly appreciated!
- We will also need volunteers during the forum to run the swap shop and to take money at the entrance. I'll have a sign up sheet at the meeting.
- If you are looking to thin out your fleet, bring some of it to the forum and/or the STARS auction.

See you at the meeting!
