ARCS Annual Family Picnic Sunday July 11, 2004 11AM to ???

President's Message:

- It's now summer and that means Picnic Time! Mike Amie has organized our annual Family Picnic. It will be on Sunday the 11th starting around 11AM. The club will provide burgers and sodas. Please bring a small dish to pass or a bag of chips, etc. Bring out the whole family. You could even bring an airplane or two.
- ARCS Shirts and hats: We have a few extra shirts and a lot of extra hats for sale. See me if you want one. I will have them at the picnic.
- The new tractor is working well so far. It is bigger than the old one and gets the job done a lot faster. There is a set of operating instructions posted in the tractor shed. Please limit your mowing to established areas only (the field, pits and parking area). Do not mow the side of the road. As nice as the new mower is, it is not a "Bush Hog".
- Mike Amie has replaced the weed eater head with a better one. No more problems spooling out the line.
- Walt's R/C Club in Old Forge is hosting an air show Aug. 7th. Here is the ad from Model Aviation: **Mountain RC Fly In & Airshow Sat Aug 07, 2004 Sat Aug 07, 2004**
Old Forge, NY. Site: North Street Field. Walt Throne CD, 208 Windemere Rd Syracuse NY 13219
PH:315-488-8935 email jthrone909@aol.com. Come and enjoy a weekend of flying in the scenic adirondacks (boating, swimming, camping, hiking & flying R/C). Event 9AM-4PM, Fri. ok and stay & fly with us. Check out oldforgeny.com for info and a place to stay. Sponsor: MOUNTAIN RC MODELERS
I will post more information at the field as it becomes available.
- Our Fun Fly will be on Sunday, August 15th. It will again consist of events that can be flown with a trainer and basic flying skill. I will post the event schedule at the field in a few weeks.
- Our plans for a joint STARS /ARCS picnic have fallen through. We will try it again next year.
- Just a reminder, *everyone* must use the access road to get to the field. You must watch for and yield to any full-size aircraft. You may *not* drive across the runways. If you are unfamiliar with the airport layout, please contact one of the officers for assistance.

I hope to see you at the picnic!
