## **Club Meetings- Friday, Jan 28, 2005 7 PM at the Ramada Inn And Friday, Feb 11, 2005 at Walt's**

### **President's Message:**

Here we are in the middle of January. I know this because I just looked outside and the visibility is low and the snow is moving horizontally. I'll have to keep myself amused by flying the simulator.

- This newsletter will cover the 2 meetings listed above. Please mark your calendar. There will not be another newsletter before the February meeting since it is only a couple of weeks away.
- Speaking of the simulator, Venno Jelinec, a new member and part of the SU Design, Build and Fly team has constructed a simulation of the ARCS field for use with RealFlight G2. I have been playing with it quite a bit and it is very realistic! It is a larger file than the typical airport files so some of the slower computers or ones with limited graphics cards may have some trouble running it. If you are interested in it, send me an email and I will send it to you along with the installation instructions. It is a small file so it's not too long of a wait on dial-up
- Club memberships should be renewed by now. Be sure yours is in before January 31st to avoid the \$5.00 late fee! Please fill out a renewal form so I can keep the roster up to date. Be sure your AMA membership has been renewed too.
- We had a very successful New Years Day fly-in this year. This is usually our best attended event and this time was no exception. Over 30 members and guests attended and ate hot dogs provided by Dick Schwarz and chili provided by Mike Amie. Some photos are included later in the newsletter.
- The STARS auction happened last night. There were lots of airplanes and not quite as many gadgets as usual. The most unusual thing was that Walt didn't destroy anything! At one point it appeared that a Big Stik was about to be pulverized. I could see that look in his eyes but he showed restraint and only gave both wingtips a hard tap on the table.
- Long time club member Cecil Carrier passed away this week. Cecil returned to flying last spring along with his daughter Katelinn. The club will make a contribution in his name. Our deepest regrets go out to his family. Phil Artese is putting together a benefit/fund-raiser for his children. I'll pass on the details as they become available.
- The meeting this Friday will be at the Ramada Inn to set up for the forum. Same routine as in previous years.
- The forum is on Saturday. Please bring static display models! If you see Bob Horst, tell him to be sure to bring his latest creation! During the event, we will be looking for people to man the admission/raffle table. The prize raffle will be good this year. A few "big ticket" items have arrived along with lots of CA, gift certificates, etc. This will be a great show. Please plan on attending and bring some

(Continued from page 1)

friends along. The Ramada will be setting up a buffet lunch so you can spend the whole day there!

- Bob Rowe of the STARS is organizing their annual bus trip to the WRAM show in White Plains. The bus leaves from Northern Lights Mall early Saturday morning and returns there late that night. The cost is \$40.00. If you want to reserve a seat, contact Bob at 474-8428 or rrowe7820@aol.com.
- At the February meeting, Brian Madden has offered to bring a pot of chili. Be sure to bring an appetite. The club will provide sodas. I've been asked to demonstrate aluminum soldering again which I will do at the meeting.
- In March, we will elect the club's board of directors. They serve for 2 years and oversee the operations of the club. If you are interested in such a position, let me know before the March meeting so I can get your name in the newsletter.

I hope to see you at the meetings.

*Herb.*
