Family Christmas Party Friday, Dec 9, 2005 7PM at Walt's Featuring Dinosaur Barbeque Food and Entertainment by The Midnight Rambler!

President's Message:

It looks like we will be needing skis for New Years Day. That will be different than the last couple of years. Of course all this could melt between now and then. Here's the latest news:

- The Annual Family Christmas Party will be held on Friday at 7PM at Walt's. It was decided at the last meeting that we would have it catered by the Dinosaur Barbeque. Bob Oxford has made all the arrangements and it promises to be a great meal. At the last meeting we decided that the club would pay \$5.00 per person toward the meal. Since then we have taken in a lot of money from Doc Schwarz's and Don Cole's aircraft sales (more about that later). The officers and members I talked to since the meeting agree that the club can easily fund the whole party. There will be no cost to members and their families. Bring the family and bring an appetite. As a courtesy to Walt, please park at the side of the building. The store is very busy this time of year.
- We had a sale of Doc Schwarz's and Don Cole's stuff on Wednesday, Nov 30th. Don Perricone also added a few items. Through the generosity of these gentlemen, we have made \$1161.00 so far. There are more items for sale which are listed on Page 2. Thanks to everyone who participated.
- Walt's Secret Santa sale was a big success. You've got to be amazed to watch 10 year old Kyle Stacy fly the electric helicopter. I'm guessing he probably broke a few of them before he got to this level. Dan Landis also gave some really impressive demos.
- A few of us were invited to attend the EAA Christmas party last Friday. This was a thank you for helping out at their Fathers Day pancake breakfast. The guest speaker was Lt. Col. Ted Limpert from the Air Guard. He spoke about flying and bombing in the Gulf War, scaring camels and each other at times. It was a nice evening and a good meal.
- Membership renewals for 2006 can be made at any time. Memberships not renewed by Jan. 31st will be charged a \$5.00 late fee. Renewals not received by Feb. 28th will be dropped from the mailing list. Mike Schofield requests that you include a completed membership application form along with your payment so that we can keep the roster up to date. Make checks payable to ARCS.
- Be sure to renew your AMA membership also. It expires at the end of the year. You will need it to fly on New Years Day or any other time at our field.
- The Model Forum is shaping up very well. It will be held at the Syracuse Academy of Science Charter School which is across the street from the Harrison Bakery. It

(Continued on page 2)

Remaining items From Doc Schwarz:

President's Message Cont'd

(Continued from page 1)

will include indoor electric and rubber flight in a gym that is about 80' x 80'. Directly below the gym is a cafeteria where we will have static displays and other interesting stuff. The PTO from the school will be in charge of food. In addition to the STARS and ARCS, the Central New York Indoor Flying Society (CNY IFS) will be handling the flight portion of the event. Flyers will be available at the meeting.

- Brian Cooper will be available at the meeting to discuss glow plug selection and troubleshooting. If you have questions about these things, ask Brian.
- The New Years Day fun fly will start at 11AM at the main hangar. Be sure your AMA is paid up and bring gloves. Mike Amie is taking care of the food.
- I'd like to wish all club members and friends a Merry Christmas and Happy New Year and I hope to see you at the party.
