Next Meeting– Friday, Jan. 27th, 7PM at Syracuse Academy of Science to set up for the Forum No Meeting on the 13th!!!

President's Message:

January is a busy month for us. Here's what's going on:

- We had a great Christmas Party at Walt's. Good food from the Dinosaur Barbeque, lots of snacks and musical entertainment. A special thanks goes out to Bob Oxford for organizing the whole thing, Phil Artese for providing the entertainment and Fred Zink for the chocolate cake.
- The New Years Day Fly in was very well attended. There were around 40 people there. Walt got the first flight of the year in, with other flights by myself, Mike Moore, Dan Haun, Kyle Murphy, and a few others. Thanks to Mike Amie for keeping us warm with the traditional chili and thanks to Jim Brown for cooking all day.
- We were invited to visit the Mercy Flight facility for a tour on the 3rd. About 8 club members attended along with several EAA members. It was a very interesting presentation covering the helicopter's performance and the medical capabilities of the crews.
- The annual STARS Auction will be on Friday the 20th at 6PM at Walt's. We will be trying to sell off the rest of Dick Schwarz's stuff. Bring your wallets!
- We will not be meeting on the 13th. Instead, our January meeting will be on the 27th at the Syracuse Academy of Science. We will be setting up the rooms for the forum. Help would be greatly appreciated.
- The Forum will be on the 28th from 9-4. We will need help throughout the day to man the ticket sales and we will need help after the forum to put tables and chairs back. I will be recruiting at the meeting on the 27th. Please bring static display models!!! Small electric models will be flown throughout the day in the very large gym. Valid AMA membership is required to fly. The CNY Indoor Flying Society will be in charge of the flight line and they will determine if aircraft are appropriate for flight. The PTO from the school will be in charge of food. A map and directions are included on page 2.
- Membership renewals for 2006 can be made at any time. Memberships not renewed by Jan. 31st will be charged a \$5.00 late fee. Renewals not received by Feb. 28th will be dropped from the mailing list. Mike Schofield requests that you include a completed membership application form along with your payment so that we can keep the roster up to date. Make checks payable to ARCS.
- A few questions have come up about winter flying. Our policy is this: You can fly during the winter *at our field, not from the main hangar*. The airport must still be considered active even though the runways have snow on them. You *may not* drive down to the field. It is not a matter of your 4 wheel drive being able to make it down there without getting stuck, it is a matter of damage to the road. Road maintenance is one of our biggest expenses and with a little care and discretion,

(Continued on page 2)

Directions to Forum:

From the west: Take 695 to 690 East, get off at Hiawatha Blvd. Take a right and go the end, under the railroad overpass. Take a left on Erie Blvd, go 1 block and take another left on Genesee. Go under the railroad overpass and take an immediate right onto Park Ave and an immediate right into the school parking lot.

From the East: Take 690 West and get off at Geddes St. Take a left on Geddes, then a right on Genesee. Go about a half mile and turn left on Lakeview. Turn right into the parking lot immediately after going past the school.

Note, you can enter the parking lot from Park Ave or Lakeview.

President's Message Cont'd

(Continued from page 1)

we can keep those costs down to a reasonable level. Driving across the runways is forbidden just like in the summer. The best bet is to park at the main hangar and carry your stuff down to the field. It's not that hard and if you bring a little plastic sled along it will be quite easy. Feel free to enjoy the field year round but you must comply with these rules.

- In March we will elect a new slate of officers. The positions are President, Vice President, Secretary and Treasurer. If you are interested in any of these positions please let me know so I can put your name in the next newsletter.

Herb.

See you soon!
