### President’s Message:

Here’s a quick note about what is going on:

- The Boy Scout Camporee went as planned on May 20th. Around 325 Scouts and leaders attended and even though the weather was bad, we were able to fly about 115 scouts on the buddy boxes. There were lots of helpers during the set-up and flying including Phil Artese, Art Dudden, Fred Eberhardt, Mike Gosson, Don Kaupp, Dave Kennedy, Bob Oxford, Don Perricone, Dick Skutt, Phil Varga, Dan Walker, Eric Ziegler and me. To say the least, it was a busy time! Thanks to Brian Cooper and Bob Oxford for donating fuel and to all that helped!
- The ARCS/EAA Fathers Day breakfast was a huge success. Many thanks to Bob Oxford and Jeff Dudden for the excellent planning that went into this event. Around 1100 people were served (a new record) and compared to last year, the wait in line for food was less than half the time. Members who participated were Mike Amie, Phil Artese, Tom Brennan, John Cimildora, Art Dudden, Jeff Dudden, Fred Eberhardt, Mike Gosson, John Hughes, Ron Jones, Don Kaupp, Dave Kennedy, Al Metz, Mike Moore, Kyle Murphy, Bob Oxford, John Pekoff, Mike Schofield, Dick Skutt, Stan Swizdor, Walt Throne, Phil Varga, Eric Ziegler, Herb Ziegler. Spouses and siblings were Cathie Bitter, Molly Bodie, Robin Kopp, J’nelle Oxford, Patty Oxford, Sue Simpson, Jan Throne, Chloe Warren, Terry Ziegler. In addition, 21 EAA members and spouses dove in to help. Many thanks to all that helped. Special recognition must go to Walt and Jan Throne. They arrived with a free ticket and were put right to work in the sweat shop. I guess there’s no such thing as a free breakfast. Thanks also to Walt and Bruce for providing tables and chairs from the store and to John Peckoff for providing tables and chairs from the teamsters hall. The event took in around \$4700.00. We will have a critique at the EAA meeting on the 9th. All participants will be invited to a thank you dinner on July 16th at 6PM at the main hangar.
- Art Dudden has mowed the tall grass again at the field. When you see Art, be sure to thank him.
- Money continues to come in for Doc Schwarz’s scholarship. The total is currently at \$858.00.
- Our annual family picnic will be on the 8th of July. If the weather is bad we’ll have it at the main hangar, otherwise at the field. Please bring the family, a plane or two and a small dish to pass.
- The EAA meeting on the 9th will include a talk by Bernie Shacknowski and the construction of his Sonex.
- Brian Cooper is organizing a small 3D event on the 9th. We should be able to dive into that right after the EAA meeting. Please don’t plan on any open flying during the event. For details, contact Brian at 689-7695
- Be sure to attend the Mountain RC fun fly at Old Forge on July 29th. This is a fun event and ends up at Walt’s camp. Details will be posted at the field and at Walt’s.
- Our annual fun fly will be on Aug 19th. Details will follow shortly.

See you at the picnic!
