Next Meeting– Friday, November 10th 7PM at Walt's

President's Message:

It's only been a week but I already miss the Tuesday nights at the field and the Thursday training nights. I guess it's time to build something.

- The tractor has been taken to my house for winter storage and refurbishing. It appears to be in good shape. It looks like it needs a new set of blades. If there are any problems with it let me know.
- There are a few airplanes and related items left from Jules Fried's collection. See the list on page 3.
- We have a new member. Max Kasak joined us after getting a taste of flying at the Royal Rangers camp-out. Bob Oxford donated an airplane and Bob Horst donated lots of field equipment to Max to get him started. Welcome aboard Max!
- As decided at the last meeting, the newsletter will be distributed by e-mail to everyone who has an e-mail address on file. Since there will probably be glitches, this months will be sent out by mail also. If you don't have an e-mail address, you will still get yours through the mail. It is important that I get your feedback on this process. If you have any trouble getting the electronic version, please let me know. A list of members e-mail addresses is on the next page. Please review it and give me any corrections.
- Mike Gosson has begun the process of setting up a web site for us to post newsletters. He has registered the domain name of arcsnews.com which so far links you to the AMA district II web site. The plan is to eventually post past and current newsletters to the site where any club member can access them. Watch for more progress in the next few months.
- Walt's will be holding their annual Secret Santa Sale on Saturday, November 18th. We will have a table set up to promote the club. I will be looking for volunteers to watch the table throughout the day. We also need a couple of planes for a static display.
- The EAA is planning a Christmas party on Dec 16th. This is a change from what was reported last month. It was decided to make this our Christmas party too. Don Perricone needs 50 people to sign up to get the group rate so please let Don or me know if you can attend and how many guests you'll be bringing. We will need an accurate count at the meeting this Friday. Cost will be \$12.95 per person plus tip. We plan on paying for pancake breakfast workers, at least partially. We will need to make the final decision at this meeting. We will also decide if we need an additional meeting in December or not.
- The 11th annual Model Forum will be on January 27th at the Syracuse Academy of Science. This worked out very well last year. We have started having meetings to plan this event. If you have input, let me know or better yet, become part of the committee. As we have done in the past, we will be setting up the rooms the night before.

(Continued on page 2)

(Continued from page 1)

- Club Memberships can be renewed at any time. Be sure to do so as soon as possible to avoid the \$5.00 late fee after Jan. 31st. Please be sure to fill out a membership renewal form (page 3). There is a new line for a mobile phone number if you have one. Submit the form to Mike Schofield. Make checks payable to ARCS.
- AMA memberships should also be renewed as soon as possible. You will need it to fly on New Years Day.
- Be sure to return your ballot for District II vice President (Dave Mathewson).

See you at the meeting!

Herb.
