No Club Meeting in December!

ARCS/EAA Christmas Party– Sat, Dec. 16th 6 PM Camillus Elks Club

New Years Day Fly-In– Mon, Jan. 1, 11AM

President’s Message:

Who ever called it “Black Friday” was certainly not a modeler. We had a fun day of flying while others were bumping into each other at the malls. Looking out the window tells me my next flights will be with skis and gloves.

- We will not meet in December. The next regular meeting will be on Jan. 12th.
- This newsletter will be distributed by email only to everyone I have a valid address for. All others will get a paper copy mailed to their house. Let me know if there are any problems with this approach. Thanks to everyone who gave me feedback on last months distribution. I made some corrections to the list so please review it on Page 2.
- Mike Gosson is making progress setting up a web site for us to post newsletters. He has registered the domain name of arcsnews.com which so far links you to the AMA district II web site. You can go to <http://www.amadistrictii.org/arcs> and view the current newsletter and past ones. Watch for more progress in the next few months.
- Walt’s Secret Santa Sale was a big hit again this year. There was a steady flow of people all day long with lots of flying by Kyle Stacy and Dan Landis.
- Last chance to get in on the ARCS/EAA Christmas party on Dec 16th. Let me know immediately if you want to attend! The Camillus Elks Club is located on Newport Rd., about a mile north of the village of Camillus. If you need better directions, contact me. Probably a good thing we didn’t count on the Dinosaur BBQ this year, with all the people getting sick. Hope our luck is better with the Elks.
- The local Boy Scout Council would like to establish a Venturing Post at the airfield. It would be a group of boys and girls that are interested in aviation. Our Group would be asked to provide mentors and instruction related to model airplanes and the EAA would do the same for full size aircraft. If you have any thoughts on this either for or against, please let me know.
- The numbers continue to dwindle from Jules Fried’s collection. See the list on page 3. Prices have been reduced. Anything remaining will be sold at the STARS Auction.
- The 11th annual Model Forum will be on January 27th at the Syracuse Academy of Science. The planning is well under way. Requests for raffle prizes have been

Club Officers:

sent out and some items have already arrived. It should be a good time again this year. There were suggestions last year of having a swap shop. We would be glad to do it but need someone to head it up. If you are interested, please let me know soon.

- Club Memberships can be renewed at any time. Be sure to do so as soon as possible to avoid the \$5.00 late fee after Jan. 31st. Please be sure to fill out a membership renewal form (page 3). There is a new line for a mobile phone number if you have one. Send the form to Mike Schofield. Make checks payable to ARCS.
- AMA memberships should also be renewed as soon as possible. You will need it to fly on New Years Day.
- I'm looking forward to New Years Day. Plan on lots of good food and fun! I hope to see you there!

Merry Christmas and Happy New Year to you!

Herb.
