## Club Meeting– Friday, March. 9th, 7PM at Walt's

### President's Message:

Hey, the days are getting longer and warmer. Another month or so and we'll be flying!

- I just got back from the STARS annual Snow Fly. They have held this event for about 20 years. Typically a few people fly and a lot of people hang around in the heated pavillion. This year was no different. Some of us were brave (nutty) enough to actually fly in the blinding snow and 20+ MPH wind. After 8 minutes on the sticks it sure was nice to stand around the propane heater and hold a hot cup of coffee and a Wassel dog..
- At this meeting, we will elect the club's board of directors. It is their job to see that the club by-laws are being followed and to oversee the general operation of the club. The current members are listed to the left. In addition to the members listed, Walt Throne has expressed an interest in being on the board.
- We have been contacted by the Boy Scouts. They are holding another camporee on May 19th in Lowville. This is a district wide event and there could be around 1000 scouts there. They want to know if we would do buddy box flying for them again. If you are interested in helping out, let me know at the meeting or contact me. I need to give them an answer next week.
- The Boy Scouts are also following up on starting an explorer post at the airfield. I need to know how many members are interested in helping out so that we can tell them yes or no. Please contact me if you are interested.
- Tentative dates have been picked for our summer events. See the calendar on the back page. At the last meeting there was some discussion about doing some different things at the fun fly. Bring your ideas to the meeting.
- Jason Ouderkirk is thinning out some of his aircraft. I plan on picking some of them up and bringing them to the meeting. See the list on Pg 2.

See you at the meeting!

*Herb.*

## Snow Fly:

Who is this chilled person?  
See next page for the answer  
Note the visibility.

My Speedy Bee. That's at least 2 feet of hard, frozen snow that I'm standing on. Wheels worked just fine on that surface.

### Jason Ouderkirk's Items For Sale:

1. Giant Stevens Acro, Formerly Doc Schwarz's, G62, Radio Gear, Jason flew it last summer and it flies very well. Fuselage covering has been removed in order to re-cover.
2. Slo-Poke .40 with an OS 60 FP, servos.
3. Harrier Electric- Ready to fly. Formerly Jules Fried's.
4. Walkera Dragonfly 60 electric heli (Similar to Blade CP)
5. Misc stuff.

I will have some of this at the meeting. Bring cash if you are interested. Jason is open to offers. For more information, contact Jason at 420-7868 or [cris-jason@twcny.rr.com](mailto:cris-jason@twcny.rr.com).

## Snow Fly:

Chilled Person– Mike Moore

That isn't dirt on the camera lens, those are large snow-flakes.
