Club Meeting– Friday, Nov. 9, 7PM at Walt's

President's Message:

I guess the flying season is almost over. Dark at 5PM, snow in the forecast... At least there are several options to stay involved through the winter months!

- Planning meetings are starting up for the forum. The next one is Wednesday the 7th, 7:30PM at Denny's, Erie Blvd. & W. Genesee, near the Syr. Academy of Science. Stop by if you want to get involved in the planning process. The forum will be held on Jan 26th.
- Walt's Secret Santa Sale will be on Nov. 17th. As in previous years, we will have a table to display club information.
- Our annual Family Christmas Party will be at the December meeting (14th). Mike Amie is in charge and promises a spectacular spread of good food.
- The New Years Day Fun Fly is coming up. This is usually one of our best attended events.
- Hopefully by now you have returned your ballot for AMA President. If you haven't please do so right away. A couple of important things to remember: Check the box next to Dave Mathewson's name and put a stamp on the card before you mail it.
- AMA memberships must be renewed also. You will need it to fly on New Years Day.
- Club memberships can be renewed at any time. Be sure to fill out a renewal form (on Pg 3).
- Last Sunday, Mike Moore and I flew with a group of Cub Scouts from Jordan. There were only 6 of them but they seemed quite interested, and so did their parents.
- Training nights are over now. Thanks to all the instructors and ground support people who make this so successful!
- The tractor is now in my barn and is in the process of being winterized. If there are any issues with it, please let me know.
- The bearing change demo that was planned for last month will be done at this meeting instead. Stop by and smell the castor oil burning.

See you at the meeting!

Herb.
