Family Christmas Party and Club Meeting Friday, Dec. 14, 7PM at Walt's

President's Message:

Congratulations to Dave Mathewson! He has won the AMA presidency by a large margin. This can only mean good things to our hobby.

- Our annual Family Christmas Party will be at the December meeting. Mike Amie is in charge and promises a spectacular spread of good food.
- The forum is coming together nicely. It will be the same format as last year with a few more demos and discussions. The next planning meeting is Wednesday Jan 16th, 7:30PM at Denny's, Erie Blvd. & W. Genesee, near the Syracuse Academy of Science. Stop by if you want to get involved in the planning process. The forum will be held on Jan 26th.
- The New Years Day Fun Fly is coming up. This is usually one of our best attended events. The fun starts at 11AM. There will be food!
- AMA memberships must be renewed. You will need it to fly on New Years Day.
- Club memberships can be renewed at any time. Be sure to fill out a renewal form
- Be sure to check out the awesome web site our webmaster, Mike Gosson has put together, www.arcsnews.com. If you have suggestions for content please let me or Mike know.
- I wish everyone a Merry Christmas and a Happy New Year. I hope there are many slender, light weight boxes under your tree.

See you at the party!

Herb.
