Club Meeting– Friday, Nov 14th, 7PM at Walt's

President's Message:

Daylight savings time is over, snow is in the forecast, it gets dark around 5PM. That can only mean one thing. It's time for Walt's Secret Santa Sale.

- The Secret Santa Sale will be on November 22nd, all day long. We will have a table set up with club information and there will be lots of discounted prices throughout the store. Be sure to show up.
- AMA renewals and ballots have been mailed out to the membership. Be sure to renew soon so that you can fly on New Years Day.
- Now is also a good time to renew your membership. Fill out the form on page 3 and submit it to Mike Moore.
- The Model Forum will be on Jan 31st at the Syracuse Academy of Science. New this year will be a swap shop. Details still need to be worked out.
- It was decided at the last meeting to replace the gas grill. We thought it would be good to get a better quality grill with a cast burner instead of the stamped sheet metal ones that are common. Phil Artese and Bob Oxford have been researching different models and comparing features. Bob has identified and purchased one from Reister's in Auburn. The details are on page 2. Bob was able to negotiate a sweet deal. Retail cost is \$599.00 plus tax, Bob got it for \$551.00 including tax. That's about a \$96.00 saving. Bob will have it at the meeting. We probably won't assemble it until spring.
- We are planning to build a larger impound shed in the spring. Mike Moore brought some concept sketches to the meeting and they were well received. Details will follow.
- The tractor has been stored for the winter. Looks like it is in good shape. Just needs some routine maintenance, nothing big.
- We need to plan for our Christmas Party at this meeting. It will be at our regular meeting in December. Need someone to be in charge.

Happy Thanksgiving!

See you at the meeting!

Herb.

The New Grill

There's a heavy duty, cast iron burner inside every full-size Holland Grill. The burner is guaranteed for the life of the grill!

The Holland Heritage Plus (BH421SG-5A)

BTU'S: 19,500
Body Inside Width: 24.5"
Body Inside Depth: 16.5"
Floor To Cooking Grid: 37"
Floor To Top of Stacks: 48"
Outside Dimensions: 18.5" x 26.5"
Shipping Weight: 84 lbs

1. Grill top is heavy aluminized steel for long life
2. Side shelves are constructed of polypropylene, approved for direct food contact
3. Large stainless steel cooking grid is guaranteed for the life of the grill. It will easily hold two turkeys or four chickens
4. All **NEW** aluminum bottom shell won't rust or burn out.
5. Rotary spark igniter for easy lighting
6. One temperature setting eliminates guesswork
7. Just close the drain valve, fill the aluminum drip pan with water and you've got a great steamer or slow cooker.
8. Two-wheel cart design allows for easy moving over rough surfaces
