Club Meeting– Friday, Jan 9 7PM at Walt's

President's Message:

I hope everyone had a Merry Christmas and a good start on a Happy New Year.

- The club Christmas party was lots of fun. Mike Amie provided an excellent selection of food and many club members brought a dish to pass. We didn't have a meeting, just a party.
- We got the new year off to a proper start with our annual Fun Fly. Lots of club members and guests attended. I'm guessing there were around 45 people there. At least 8 aircraft were flown and, as has become a tradition, Mike Amie provided his awesome chili. Several other club members also provided food and snacks. Thanks! Our long distance guest award goes to Brian Madden who left the 60+ degree temperatures in Virginia just to suffer with us at around 10 degrees. Bob Oxford assembled and delivered the new grill. Jim Brown broke it in by cooking all day. Thank you so much Jim! Jeff Dudden provided the much needed driveway plowing services. Thanks Jeff! Please enjoy the photos on the next pages.
- The STARS will host their annual RC Auction on Friday the 16th at 6PM at Walt's. There are lots of bargains to be had. Be sure to attend if possible.
- The Model Forum will be on Jan 31st at the Syracuse Academy of Science. This year there will be a swap shop so blow the dust off of some of those unused airplanes and supplies and bring them along. There will be a prize raffle as usual. Some nice prizes are already piling up at my house. We will also meet the night before to set up the room.

See you at the meeting.
