### **President's Message:**

Here's a quick note about what has been going on.

- Plans are going well for the pancake breakfast. The Marcellus and Weedsport EAA's will be providing several workers. We will be having a picnic meeting on Sunday the 14th at 1PM to finalize plans. Please attend if you can and get some free food. Bring along guests and potential workers. Please set aside the morning of June 21 and bring along as many helpers as you can. This will help to pay for our new impound shed.
- Speaking of the impound shed, take a look at the photo below. It is just about ready for paint. Phil Artese, Mike Moore and Bill Brumfield have been working tirelessly on it and it is awesome.
- Art Dudden mowed the tall grass last weekend. Thanks Art!
- Be sure to take note of the calendar. Dates have been established for our summer events. Hope to see you there!

See you at the meeting.
