President's Message:

Happy new year to everyone!

- We had a great Christmas party at Walt's. Lots of good food and fun. Thanks again to Mike Amie for providing the food.
- New years day fun fly was extremely well attended. At least 45 people were there. The weather was about as good as we could want for January, light snow, very little wind, just above freezing. Lots of people flew their planes, mostly without incident but I did manage to get a few pictures worth sharing. See page 2. Thanks to Jeff Dudden for plowing us out and thanks to everyone who brought along something to eat.
- Health updates:
 - Walt's hip replacement went well. He is recovering at a rapid pace and is getting around well.
 - Bob Oxford had his kidney surgery and only lost about 10% of it. He is also recovering well.
- Continued good luck to both of you.
- Blocking off our road seems to be working for the moment. I did see one set of tracks avoiding the barricade.
- The Model Forum planning is well under way. Prizes to be raffled off are starting to accumulate at my house. There will be a swap shop again. The next planning meeting will be at Denny's at Erie Blvd. and Genesee St. on Jan 20th at 7:30 PM.
- We will be setting up the school for the forum on Friday the 29th starting at 6PM Help would be greatly appreciated! We also need more help at the sign in table on the day of the forum. Please volunteer!
- The STARS are having their annual auction on Jan 15th. Should be fun and maybe there will be good deals. Sign in at 5:00, auction starts at 6:00
- Be sure to renew your AMA and Club memberships. There is a \$5.00 late fee for renewing after Jan 31st.
- The time is approaching to elect new club officers. Please let me know as soon as possible if you are interested in a position so I can get it in the next newsletter. Elections will be in March.

See you at the meeting.

Herb.
