ARCS Annual Fun Fly– Saturday, Aug 14th, Noon at the field

President's Message:

Here's a quick note about what's been going on:

- We had a good time at the family picnic last month. A little rainy but we were still able to get some flights in. Thanks to Mike Amie for gathering the food.
- Several ARCS members attended the Mountain RC fun fly in Old Forge. After a perfect day of flying Walt and Jan invited everyone to their camp for some food and float flying. Thanks Walt and Jan for providing such nice weather and hospitality.
- Thanks to Bruce Budelmann and Jim Brown for volunteering at the MOST on the 7th. This is good publicity for our club and could result in additional members. Looking for a couple of volunteers to handle the Sept. 4th and October 2nd sessions. Please contact me if you are interested.
- The annual Fun Fly will be August 14th starting around noon at the field. I will be looking for volunteers to help out. Events will be Black Jack (back by popular demand) and Timed Freestyle. Contact me for details. If you have soloed, you can compete in these fun events. Come on out and have some fun.
- At the fun fly, we will be drawing the winner of our raffle for the Hobby Zone Super Cub that Bruce Throne donated. If you want in on tickets, let me know. If you think you can sell some, let me know. \$1.00 each or 6 for \$5.00.
- We received a plaque and patches from the AMA for being a leader club for 5 years. It is on display at the field.
- The solar panel is in place in the impound shed. The club trainer is in the shed on trickle charge. Feel free to use the 12V supply to charge batteries with the following important restrictions: **LiPo's must be charged outdoors.** Right now the connections are inside so if you are going to charge a LiPo, be sure to bring along a cord of suitable length to reach outdoors. That means away from the impound shed, not on the front porch. It would be a disaster for the club if the impound shed burned down.
- Don't forget the STARS 30th annual Air show on Sept 5th. Support our sister club!

See you at the field!

638-2824 or 857-6266

Herb.
