### President's Message:

The end of daylight savings time signals the unofficial end of the flying season. There are still weekends and weekdays for those of you lucky enough to be retired. Try not to dig up the road.

- Club nights and training nights are officially over for this season now that it's dark at 5PM. Although Wednesday evenings were our club night, we also would train any one who came out. Sometimes Thursdays didn't work out for students. It works out well giving the students more stick time and is a little less hectic for the instructors.
- We are invited to participate in Walt's Secret Santa sale again this year on Saturday, November 20th. This promises to be another extravagant event with many interesting demonstrations and lots of good sale prices. We will have a table so we can display club information and answer questions. Stop by and help out or just chat.
- Some of us have been volunteering at the MOST to show museum patrons what model aviation is about. This occurs on the first Saturday of each month. Let me know if you can help out on Dec. 4th.
- As mentioned in the last newsletter and discussed at the last meeting, we will be voting on increasing dues at this meeting. The dues haven't been changed in 18 years and our operating expenses have continued to increase. Our major costs are road maintenance and the Port-a-potty. We are proposing a change to the By-Laws which would raise regular dues to \$45.00 and Senior dues to \$25.00. This will raise approximately \$700.00 for the club which will almost pay for the Port-a-potty. We will not take any dues money until after the vote.
- Our Annual Family Christmas/Holiday party will be held on December 10th at the Anheuser-Busch brewery, thanks to our well-connected treasurer, Kevin Kiniry. We will cater it much like in previous years but this facility is really quite spectacular. We need RSVP's for this one. Please contact Kevin or me with the number of people attending (contact info on upper left of this page).
- Plans are underway for the Model Forum which will be on Saturday, Jan 29th. Similar format to previous years. Any ideas on how to spice it up? Talk to me or attend the next meeting on Nov17th, 7:30 PM at the Denny's on Erie Blvd.

See you at the meeting!
