President's Message:

It's been a while since we sent out a newsletter so here's what has been going on.

- The results of the Fathers Day Pancake Breakfast are very good. Total attendance was around 1200 people. Costs were up a little from last year. The total profit was \$2757.03. We provided 62.88 % of the workforce so our share of the profit is \$1733.62. Not bad for one day. Actually, the total man hours to pull this off was 484.4. That is a huge effort but worth it, not only for the money but for the community exposure and the cooperation between us and EAA 107, EAA 1017 and CAP Syracuse Cadet Squadron. A big thank you to all who helped out in this massive effort!
- A few significant events are coming up so please mark your calendar:
 - Family Picnic– Sunday, July 17th starting at noon, running thru the afternoon. Please bring a small dish to pass. Club will provide burgers, dogs and sodas. Bring a plane and/or heli and the family!
 - Old Forge fun fly– Saturday, July 30th, 9-4. Come out and see how the retired people do it! If you need directions, contact me or ask at Walt's.
 - ARCS Annual Fun Fly– Sunday, August 14th, starting at noon. Same format as in previous years, simple events that anyone who has soloed can do followed by open flying. Food and drink and frivolity!
 - STARS Air Show– Sunday Sept 4th. Come out and support our sister club!
 - Other events are listed on the next page.
- A few of us went to the Geneseo Air Show yesterday. A great show, only a short distance away. I highly recommend it. Great collection of flying warbirds, good demonstrations. On the darker side, one Fokker DR1 crashed after "losing power". The pilot is ok!

See you at the picnic!

Herb.
