President's Message:

Hope your summer is going well. It sure is flying by. Here's some club info:

- On July 17th we had our annual family picnic. Lots of people attended despite the record high temperatures. Lots of good food, friends and flying.
- The Old Forge fun fly was held on the 30th. Several ARCS and STARS members were present and we had a good day of flying with a fairly stiff cross wind. After the event many of us invaded Walt's camp for more fun and food. Thanks again to Walt and Jan for opening up your camp to us!
- Congratulations are in order to Walt Throne and, at the same time, Dave Mathewson. Both were inducted into the AMA Hall of Fame. This is a big deal, reserved for those who have made life-long contributions to model aviation. Be sure to congratulate these two guys for this monumental achievement. Walt tells me this may be the first time in AMA history that 2 members of the same club got the Hall of Fame award at the same time.
- Our Annual Fun Fly— is this Sunday, August 14th, starting at noon. Same format as in previous years, simple events that anyone who has soloed can do followed by open flying. Food and drink and frivolity! A poster is included.
- Don't miss the STARS Air Show— Sunday Sept 4th. This is the best airshow around and it's right around the corner. Come out and support our sister club.
- Other events are listed on the next page.

See you at the Fun Fly!
