President's Message:

I hope everyone is enjoying this excellent summer. I know I am. Here's what's been going on.

- The Fathers Day Pancake Breakfast was another huge success this year. Thanks to all the volunteers who helped out. The total profit from the event was \$2970.00. It got split up according to man hours worked. The split goes as follows:

ARCS-61.25%-\$1819.13,
EAA107-18.01%-\$534.90,
EAA1017-13.75%-\$408.39 and
CAP-6.99%-\$207.60.

Thanks to Bob Oxford for coordinating the whole thing. Good job on everyone's part!

- The road is done! We owe many thanks to The Saunders gravel pit for the donation of all the gravel (around 400 tons) and to Excavation Plus Inc. (Kyle Murphy, Mike Murphy and John Dudden) for transporting, excavating rolling, etc. Both of these organizations donated their time and materials to our project so please be sure to thank them when you see them. Kyle coordinated the whole project so be sure to thank him too. This represents a huge savings to our club!
- A happy event occurred on June 23rd. Kyle Murphy and Maria Moore were married. This proves that good things happen to those who fly model airplanes! There's a few photos on the next page.
- This Sunday we will have our annual club picnic. It will start around noon. Please bring a small dish to pass. Bring the family. The club will provide burgers, dogs and sodas. If it rains we will meet in the main hangar.
- On Sunday, August 12th, we will have our annual Fun Fly. It will be a little different this year. The consensus is that we should just have open flying with no organized events. So, bring a plane and have some fun!
- This summer we will once again host the Badius Boys flying club at our field, just like we did in 2009. This will take place August 19th thru the 25th. Please help to welcome them to our field. Any questions– Contact Phil Artese.

See you at the meeting!

Herb.
