### President's Message:

Looks like fall has struck, quite suddenly. It went from too hot to cold and rainy in a few days. Another sure sign that it is fall is the first club meeting. Here's what's going on:

- As mentioned previously, we now have a beautiful road leading to the field. As the weather gets worse, we all need to use good judgment to keep it nice. Please do not drive to the field if it is excessively wet. The last thing we need is ruts in the road.
- We had our fun fly on August 12th. We had a good time. The weather was better than in previous years with only a small shower toward the end of the day. Some photos are on page 2.
- Several ARCS members participated in the STARS annual air show. Some photos are on page 2.
- Al Metz, Mike Amie and Phil Artese attended the NEAT Fair. It is amazing how the electrics have evolved from underpowered dogs to the screaming performance that they have today. Some photos are on page 3.
- Terry Wildey has suggested that we trim some trees along the north end of the runway. We will pick a day for this event at the meeting. Tentatively Saturday the 13th, depending on the weather.
- We are again looking for helpers at the MOST. The first Saturday of each month is when this happens. Please let me know if you can help!
- Since our road is so nice, it is in our best interests to keep it that way. In the fall, I'm told that hunters use it to get to the back of the airport. They almost certainly will do damage since they will be using it when it is soft and vulnerable. It has been suggested that we put up a gate (like most model fields have) to limit access to the road. We will come up with a plan at the meeting. Bring your ideas.
- Jack Skillman is again producing a dinner theater. It is called "The Senator Wore Panty Hose". It is a comedy, not a documentary. Information is on page 4.
- AMA renewals have arrived in the mail. Please send this in as soon as possible. Also, remember to return the ballot that is included. Even though Eric Williams is uncontested this term it would be nice to show our support.

That's all for now. See you at the meeting!
