### President's Message:

Well, the holidays are over so now things can get back to normal, whatever that is. I hope everyone had some balsa under their tree. Lots of things going on in the next few weeks, read on:

- The annual Holiday party was a complete success. Thanks again to Kevin Kiniry and Mike Amie for making this happen.
- New Years day was more typical, weather-wise for us. It was snowing and blowing but many club members and people from other clubs were happy to come out and get their fingers cold. Now we can put the planes away for the winter.
- Full Size pilot Bernie Schaknowski passed away on Dec 31st. Some of you will remember him as the guy who home-built several airplanes including, most recently a Sonex. A true craftsman who will be missed.
- The next volunteer session at the Most is on Feb 2nd. This occurs the first Saturday of each month from 11AM to 3PM so feel free to contact me to get on the schedule.
- At the meeting this month, Terry Wildey will give a presentation on "Flying with Gas". I don't believe this has anything to do with our New Years Day event where people eat chili and then fly their airplanes but who knows?
- Preparations are under way for the Model Forum which will be January 26, 2013. The next planning meeting will be at Walt's on Jan 16th at 7:30. We will be setting up the night before as we have done in the past.
- Membership renewals are due for the club and AMA. Memberships received after Jan 31st will be subject to the \$5.00 late fee.. Kevin will cheerfully take your money. Please fill out the form on page 3 so that we can keep the club roster up to date.
- The annual STARS Auction will be on January 18th. at Walt's.
- The AMA has set up a disaster relief fund to help clubs who were washed out by Hurricane Sandy. At the party we voted to donate \$200.00. Anyone wishing to make a private donation can visit <https://www.modelaircraft.org/supportama/donations.aspx>.

That's all for now. See you at the meeting.

638-2824 or 857-6266
