President's Message:

- We had a nice picnic last month with lots of guests and lots of flying. Thanks to all who participated.
- The Mountain RC fly in was a success again this year. The weather was perfect and although it was a little windy, the wind was right down the field most of the time so it was no problem. After the event we spent some time at Walt and Jan's camp. Thanks for the hospitality guys!
- Our annual fun fly will be this Saturday, August 10th starting at noon. We're hoping for good weather! More information on page 2.
- The STARS are having an informal Aviation Day event at their field on August 17th. For more information, contact Chuck LeVine at clevine5@twcny.rr.com
- Don't forget the STARS annual air show on September 1st.

Hope to see you at the fun fly!

Herb.
