President's Message:

'Tis the season to party. Friday will be our turn.

- The gate has been closed at the field. Please do not drive on the road until conditions improve.
- The dates for volunteering at the MOST have been established. They are Jan 18, Feb 8, Feb 22, March 8. These are Saturdays. We will be there from about 6-7PM. If you want to help out, let me know.
- The annual Christmas Party will be held at Anheuser-Busch again this year. See the map on page 2. Kevin has arranged for the use of the facility and Mike Amie is arranging the food. If you need more information, contact me.
- The next planning meeting for the Model Forum will be on Wednesday the 18th, 7:30 at Walt's. If you have ideas you would like to see happen at the forum, please come to the meeting. We could use some extra help and new ideas. If you can't make the meeting but have some input, let me know.
- We will again have our annual Fun Fly on New Years Day. The fun starts around 11 AM and runs until everyone gets cold, usually around 2 or 3PM. Food and drink will be provided.
- The forum is scheduled for Feb 1st. As usual, the evening before will be for setting up the room.
- Be sure to renew your AMA and Club memberships. Kevin will be happy to take your money. You will need to be current to fly on New Years Day!

If I don't see you, Merry Christmas and Happy New Year!

Hope to see you at the party!
