### President's Message:

Well, we're back on Daylight Savings Time so in another month we should be able to start flying again. It sure doesn't seem possible with the weather we're having now but who knows, a miracle could happen.

- We are done volunteering at the MOST for this season. This seemed to be a very productive activity which generated a lot of interest in the scouts. Maybe we'll see some of them at the field.
- Club members who have not renewed their memberships have been removed from the roster and the newsletter distribution. If you hear of anyone saying they didn't get their newsletter, suggest that they get squared up with Kevin.
- The latest on the new Camillus Indoor Aviators is that all paperwork has been submitted to the AMA, the insurance coverage is in place (thanks to our friend in high places-Dave Mathewson) and flying began last Friday. 13 people were in attendance. Flying is allowed on Tuesday and Friday evenings from 6 to 9 and on the first Saturday of each month from 4 to 9. For more information see: [camillusindooraviators.blogspot.com](http://camillusindooraviators.blogspot.com). There are a couple of photos on page 2 and a membership application on page 3. You will need to have a minimum AMA park pilot membership to fly and, for now, only 2.4 radios are allowed.
- The STARS Snow Fly was on March 2nd. The weather wasn't too bad. Slight breeze, some snowfall. Several people got flights in and no one left hungry. Thanks again to the STARS.
- Elections of officers will occur at the March meeting. I have not heard that anyone new is looking to run. The current slate of officers are willing to run for another term.
- There are some rules to FPV (First Person View) flying that we need to comply with if we decide to do FPV flying. The transmitters that broadcast the video from the plane are such that they require an FCC license to operate. More information is available on the AMA web site.
- At the meeting we will discuss the summer activities and hopefully nail down some dates. These include the Father's Day Breakfast, the Family Picnic, the Fun Fly and any other event that anyone would like to put on. As usual we will be looking for people to be in charge.

Hope to see you at the meeting!

*Herb.*

638-2824 or 857-6266
