### President's Message:

Hi. Just a quick newsletter to let everyone know what's going on.

- Some big news: The airport sale has gone through. Kirk Mills is the new owner and he is very supportive of our modeling activities. I'm sure the relationship between us and Kirk will be a good one. At times Kirk will be asking for help with some repairs and renovations at the airport. I will pass that information along as soon as I get it. So far, many club members have stepped forward to help out.
- Kirk suggested that we do a joint picnic with the EAA this July so it seemed fitting to do it on our established picnic day which is the 12th. The airport has a huge chicken cooker so the event could turn into a chicken barbeque.
- At the last meeting we agreed to have our own celebration of National Aviation Day. It will be a fun fly on the 16th of August at our field.
- On June 7th we again attended the Rocket Challenge which was put on by the MoST. We gave away 250 balsa gliders to children and talked to many people interested in model aviation.
- The pancake breakfast is this weekend. We will need lots of help in the following areas:
  - Friday- General set-up and picking up tables and chairs
  - Saturday- Completing the set-up and picking up the food
  - Sunday- Cooking pancakes, eggs, sausages, etc. Also, cleaning tables, running for supplies, crowd control. A very busy morning!
  - Monday- Final tear down, returning tables, supplies.

The forecast is good for Sunday so we may have a record year. I know I can count on the club for assistance as in past years. Thanks in advance for your help! Any questions- feel free to contact me.

Hope to see you at the breakfast!

*Herb.*
