President's Message:

The nights are getting longer and it's getting colder out. Our meetings will resume starting this Friday.

- If you need to contact me, be advised that I no longer have a land line. It was an unnecessary cost and frustration. Please contact me on my cell or email listed at the left.
- Bad weather cutting into your flying time? Consider joining the Camillus Indoor Aviators. For more information see <http://camillusindooraviators.blogspot.com/> or contact John Spencer (315-247-2716) or Phil Artese (315-382-5841) or Bob Preske (315-487-1286).
- Our annual family picnic was a combined event with the EAA. It was well attended and the weather was great. There are some photos on the next page. Kirk and Debbie cooked up some awesome chicken and people contributed dishes to pass. A great time.
- Several club members attended the Mountain RC fun fly in Old Forge. After a great day of flying, many of us went to Walt's camp for some food and fellowship. Thanks Walt and Jan!
- The annual Fun Fly also went well this year. Got lots of flying in and we were able to try out our new gas griddle. It is awesome! We raffled off the Super Cub that was donated by Bruce Throne and the proceeds were donated to the Wounded Warrior Project, through the AMA.
- The Stars show was a little sparse this year because of the lousy weather. It cleared up in the afternoon and lots of us were able to get several flights in. Thanks STARS!
- There's a couple of photos that show how much I have to suffer for work on page 3.

Hope to see you at the meeting!
