President's Message:

Looks like the evening flying is done for the season, unless you like flying in the dark. Fear not! There are lots of things going on:

- As the weather gets worse, please use good judgment when driving to the field. Don't leave ruts in the road. When conditions get bad (snow) we will be locking the gate.
- Thanks to Kevin, our annual Christmas Party will be held at Anheuser Busch again. The date is Dec 12th. Details in next month's newsletter.
- I am tentatively planning to do a bearing replacement on an engine at the meeting. That will depend on if the parts I ordered arrive in time.
- Walt's Hobbytown will again have their Secret Santa Sale on November 22nd. Stop by our display and check out all the special deals.
- Kirk Mills has informed me that the field rent will be increased next year. It will go up by \$30.00 per month. He has sound financial reasons for doing this. Trust me, he is not getting rich from our rent.
- The Model Forum plans are well under way. The event will be Jan 24th. If you want to help out with the planning, the next meeting is Nov. 19th, 7:30 at Walt's Hobbytown.
- Bad weather cutting into your flying time? Consider joining the Camillus Indoor Aviators. For more information see <http://camillusindooraviators.blogspot.com/> or contact John Spencer (315-247-2716) or Phil Artese (315-382-5841) or Bob Preske (315-487-1286).
- For all of you veterans, Happy Veterans Day!
- I was asked to help out with an estate sale. Bill Rybak passed away in 2012 and his wife wants to empty out his basement. Bill was a member of the Voltaires and the Oneida Lake Flyers. All of his aircraft are electric powered and all are extremely well built. A few have older brushed motors (Astro Flight Cobalts) but most are brushless. Several of the planes have never flown. There are also lots of tools, servos, supplies, etc. This guy knew what he was doing with the electrics! There are a few photos on the next pages. If I have an email address for you I will send more photos. I'll also have photos and details at the meeting. The sale will be on December 6th at his house in Jamesville, near CBA.

Hope to see you at the meeting!

Herb.
