President's Message:

Looks like winter has a good grip on us. My snowblower has been getting quite a work-out these last few days and so have I. I'm not sure who's going to give up first, that 42 year old machine or me.

- The best news ever is that my daughter gave birth this morning to my first grandchild! Calvin Hirt arrived at 12:08 AM weighing 7lb, 5oz. He's 21" tall and just perfect. A couple of photos are on page 3.
- The 19th annual Model Forum was again a big success. We earned \$831.00 for the school. There were lots of good static displays, good forum discussions, good food and good company. Thanks to all who helped out with the set-up, running and tear-down.
- At next months meeting we will be electing Board of Director members. The current ones are listed on the left. If you are interested in a position, please let me know so I can get it in the next newsletter. The purpose of the board is to ensure that the club is doing the right things for the membership. A check and balance to make sure the officers don't run amuck.
- Bad weather cutting into your flying time? Consider joining the Camillus Indoor Aviators. For more information see <http://camillusindooraviators.blogspot.com/> or contact John Spencer (315-247-2716) or Phil Artese (315-382-5841) or Bob Preske (315-487-1286).
- Engines for sale- My brother in law's neighbor has found some more stuff to sell. They are listed on page 2. Contact me if you are interested.
- The flying demos at the MOST have been cancelled for this year. A display went in to the area where we usually fly so there was no room for us. Maybe it'll be back again next year.
- There are several upcoming events listed on page 4. Phil Artese and I plan on attending the Commercial UAV discussion on Thursday. I'll have a report at the meeting.
- Don't forget to renew your AMA and club memberships!

Bad Weather reminder: We follow the Marcellus School cancellations. If school is cancelled on a meeting day due to bad weather, our meeting is cancelled too. The meeting is also cancelled if the school cancels after school activities due to bad weather. Please check cancellations before driving through a blizzard only to find no one at the meeting.

Hope to see you at the meeting!

Herb.
