President's Message:

The flying season has been off to a slow start. The weather has not been kind to us. The field is in good shape and it looks like good weather is finally here.

- The wheels are turning for the Fathers Day Pancake Breakfast. This is a great community event which gives us exposure to the public in a positive way! As in previous years we need lots of volunteers to pull this off. Here's what we need:
 - Friday, 6/19– 8AM -need about 6 people to help get tables and chairs and clean and set up the area.
 - Saturday, 6/20–8AM- need about 10 people to help with final set-up and to pick up the food.
 - Sunday, 6/21– 7AM to 1PM– Need lots of people for various tasks and begin the take down.
 - Monday, 6/22– 8AM– need about 6 people to return tables and chairs and complete clean up.

I hope that everyone can help out a little at one of the times listed above. If you have questions call Jeff Dudden (730-7552) or me (857-6266).

- On May 30th the airport hosted a vintage snowmobile swap meet and chicken barbeque. It was well attended and there was a lot of interesting stuff around (and plenty of junk).
- Ron Jones had to suddenly clear out some airplane inventory. He has graciously donated them to the club which we will sell for very reasonable prices. The proceeds will go to the Dick Schwarz scholarship fund. Some of the items have already been purchased. The remaining items are pictured on page 3
- A few people have been trying to contact me on my old land line. I dropped that number last August. Verizon assigned that number to someone else almost immediately. I'm told that they are getting quite annoyed with people calling them and asking for Herb so please use the number listed below to contact me.
- Lots of events going on including our annual picnic and our fun fly. Take a look at the calendar on page 4.

See you soon!

Herb.
