### President's Message:

Wow, the days are getting shorter already! I probably will get some heat for saying that...

- Another Father's Day Pancake Breakfast has come and gone! Many thanks to those who helped out before, during and after the event. Volunteers are what makes this such a success. This year we served around 1000 people and total profit was \$2496.69. That is down a little from last year probably because of the bad weather. Last year was perfect and we served around 1200 people and profit was \$2820.68. We were quite lean on workers this year. Hopefully this isn't a trend. We got by ok but no one was able to get relieved from their work stations because there weren't any additional workers to pick up the slack. Also, a special thanks to John Pekoff and Bruce Throne for providing the tables and chairs and the Marcellus Fire Department for the loan of the round grill. Thanks also to G&L Davis meats for providing the sausage at a significant savings. The biggest thanks goes out to Jeff Dudden for his flawless coordination of the whole event!
- Our annual family picnic is this Saturday, starting around noon. The club will provide burgers, dogs and sodas. Feel free to bring a small dish to pass like deserts, salads, etc.
- Coincidentally, EAA 1017 (Weedsport) will be hosting their annual ultralight fly-in this weekend from Friday through Sunday. They ordinarily hold it in Rose but one thing led to another and now it is being held at Marcellus. During the day on Saturday there will be a chicken BBQ at the main hangar so there be an option for food if you don't want burgers or dogs. We will be free to go up and look around. I would expect that some of the pilots will come down to see what we are up to. Please welcome them and put on a good show. There's a rumor that they will have live music on Saturday night. Be sure to watch out for full-size traffic since it will be quite active this weekend.
- Lots of events going on including our annual picnic and our fun fly. Take a look at the calendar on page 4.

I hope to see you at the picnic!
