President’s Message:

Looks like we’ve finally got some good weather for flying. This year has certainly been a challenge.

- Our annual family picnic went well this year. Several club members attended along with their guests. At the same time, the airport hosted EAA 1017’s annual fly in. There was lots of air traffic that day. Some of the pilots came down to try their hand at RC flying. Most say “It’s harder than you think.”
- This Saturday we will have our annual Fun Fly. It is an AMA sanctioned event and is advertised in Model Aviation. We hope to see some participants from other clubs. The club will provide burgers, dogs and sodas. We will be drawing the winner for the airplane raffle. It is an Ares Decathlon 350, ready to fly, donated by Bruce at Walt’s Hobbystown. Thanks Bruce! Stop by and get lucky! The proceeds will be donated to the Wounded Warrior Project.
- AMA dues are increasing! If you renew before Sept. 14th, you can get the old rate for 2 years. Please read page 6 of the August Model Aviation for details.
- The AMA district II fun fly will be held at the Canandaigua Sky Chief’s field which is located at 3296 Gehan Rd, 14424. In case that address sounds familiar to some of you, it is the same location as the annual Pageant of Steam, a steam tractor show. It runs Saturday and Sunday, the 15th and 16th.
- Stefani Reynolds has been chosen again as the recipient of the Dick Schwarz Memorial Scholarship. She is studying photography at Pratt Institute in NYC. Congratulations Stefani!
- Check out our web site, <http://www.arcsnews.com/>. Mike Gosson has spent a lot of time updating it and it looks great! Thanks Mike!
- Jeff Dudden has put a plane in the impound shed that is for sale. It is an Easy 2 trainer with an MDS .45 and 72 MHz radio system. It has never flown. He wants \$100.00 for it. Contact Jeff if you are interested at 730-7552.

I hope to see you at the Fun Fly!

Herb.
