### President's Message:

Looks like spring is right around the corner. We sure got a nice break this year.

- We had a follow-up meeting for the Model Forum. We decided to do it again next year. We will be changing the format slightly. Instead of specific sessions at certain times, we'll be trying to get more informal sessions going on all day where people can drift in and out as they please.
- On Sunday, the STARS held their annual Snow Fly. The weather was great and lots of pilots showed up to fly. Several ARCS members attended and flew. Thanks to the STARS for the invitation and the food!
- There are a few swap meets coming up. Check the calendar on page 4 for details.
- Once again, our condolences to Mike Moore, Christina Dosier and Maria Murphy for the passing of Diane Moore. Her smiling face will be missed.
- Fred Eberhardt continues his recovery from a car accident. He is still in the ICU at Strong Memorial Hospital in Rochester. He is not up for visitors yet but would certainly like to get cards. Send cards to: Fred Eberhardt, Strong Memorial Hospital, 601 Elmwood Ave., Rochester, NY 14642.
- The AMA is continuing the battle with the FAA regarding model aircraft registration. For now we must register all of our outdoor aircraft that weigh more than .55 lbs. This can be done online at <https://www.faa.gov/uas/registration/>. For those who don't have internet access, it may be best if you get together with someone who does so that they can help you. There does not appear to be a way to register by mail.
- As I mentioned last month, the club's policy on FAA registration will be one of 100% compliance, ***no exceptions!*** In order to fly at our field you must have registered, you must have your certificate with you and you must have your aircraft properly labeled. Of course, your AMA and club membership must be up to date too. We will be checking to be sure everyone is in compliance. Sorry it has to be like this but we can't take the chance of getting kicked out of our field because someone isn't following the rules.
- Elections of officers will happen at the March meeting. At the present time the slate of candidates is Herb Ziegler– President, Phil Artese– VP, Al Metz– Secretary and Kevin Kiniry– Treasurer. No one else has stepped forward to be considered.

(Continued on page 2)

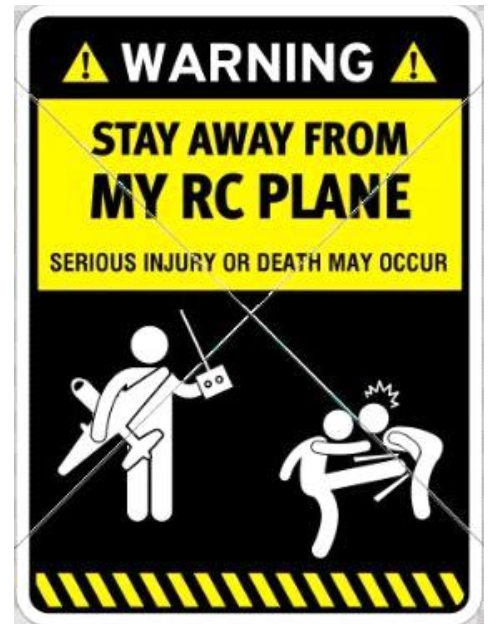

- It doesn't look like it will be a problem but I'll mention this again. In the event of bad weather, our meetings will follow the schedule for the Marcellus Schools. If school is cancelled for the day, our meeting is also cancelled. If afternoon and evening activities are cancelled at the school, our meeting is also cancelled.
- Bad weather cutting into your flying time? Consider joining the Camillus Indoor Aviators. For more information see <http://camillusindooraviators.blogspot.com/> or contact John Spencer (315-247-2716) or Phil Artese (315-382-5841) or Bob Preske (315-487-1286).

See you at the meeting!

*Herb.*

I picked this up at the Oneida Lake Flyers Swap Meet. Mini Ultra Stick fully equipped, ready to bind and fly. I had to do a little covering repair.
