President's Message:

Lots of guys have been flying already due to this exceptionally mild winter. But for the last couple of days Mother Nature has shown us who is in charge. A little set back but we should still have a good, long flying season.

- There have been a few swap meets lately. Canandaigua had one a couple of weeks ago in a new place. It was well attended and there were some good deals. OMAC had one last weekend. It was fairly small but the quality of the items for sale was good. At the last minute a guy showed up with a new P51 ARF never flown, fully outfitted including an OS .91. He sold it for \$200.00. He also had a nice .60 size trainer that went for \$20.00. Both exceptional deals. The FLAPS are having their annual swap meet this Saturday. It is at Vince's Park Pavilion is at the corner of NYS RT.318 and RT. 5/20. I will have more info at the meeting and I will forward their information to those that I have email addresses for.
- Fred Eberhardt continues his recovery from a car accident. He is now in Auburn at the Commons on St. Anthony. His rehab will take a while but his attitude is great. Send cards to: Fred Eberhardt, The Commons at St. Anthony, 3 St. Anthony St., Auburn, NY 13021. He is in room 122.
- Our very own Al Metz is the proud owner of a Toyota Highlander. See the photo on Page 3.
- Be sure to register with the FAA before flying this year. This can be done online at <https://www.faa.gov/uas/registration/>. For those who don't have internet access, it may be best if you get together with someone who does so that they can help you. You can not register by mail.
- Elections of officers happened at the March meeting. The newly elected officers are Herb Ziegler– President, Phil Artese– VP, Al Metz– Secretary and Kevin Kiniry– Treasurer. Thank you for your confidence in us!
- On Saturday, I will be helping out at the Elden Elementary Enrichment program. Bruce Throne has generously donated balsa airplanes for this as he has for many years now. We do a few demonstration flights for them and then build the balsa planes. They then fly them in a few competitive events. They have a lot of fun! I need a volunteer or 2 to help me out. If you're interested, let me know.
- Jeff Dudden has agreed again to head up the Pancake breakfast this year. This is a great event and provides us with some needed positive PR within the community. I hope I can count on good participation again this year.

(Continued on page 2)

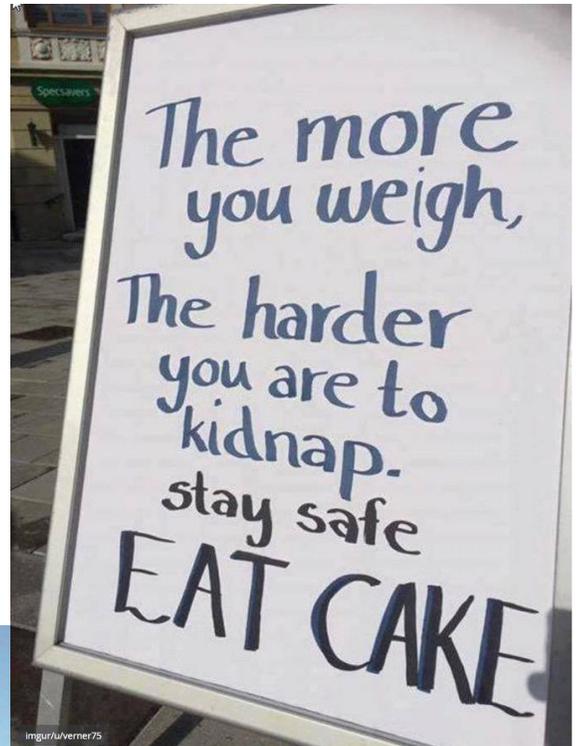

- At the meeting we will decide on dates for our summer events.
- We will try to have a booth at the Marcellus Old Home Days this year. I'm digging up information to see if we can make this happen. As usual, we will be looking for volunteers.
- Bad weather cutting into your flying time? Consider joining the Camillus Indoor Aviators. For more information see <http://camillusindooraviators.blogspot.com/> or contact John Spencer (315-247-2716) or Phil Artese (315-382-5841) or Bob Preske (315-487-1286).

See you at the meeting!

Herb.

Something to consider...
Sounds good to me!

A flash from the past.
How many people can you name?
What year do you think it was?

ARCS Membership Application/Renewal

Date: _____

Name: _____

Address: _____

City: _____ State: _____

Zip: _____ Phone: _____

Mobile Phone _____
