President's Message:

After a spell of cold and windy weather, it looks like the flying season has finally begun! Yay! There are a few things going on that I need your help on:

- Marcellus Old Home Days is this Saturday. We will have a table there with information about the club and airport. It will run from 9-4. I don't have the details yet about where we will be but I will forward that as soon as I can. I need people to bring along some static displays and just to help out at the table. Please let me know if you can help.
- The Syracuse airshow is on June 11th and 12th. Here's a link to some info: <http://www.syracuseairshow.com/>. Let's hope for good weather.
- In preparation for the pancake breakfast, I will need about 4-5 volunteers on Friday the 17th to help pick up tables and chairs, griddles, etc.
- On Saturday the 18th we'll be setting up the hangar in the morning.
- On Sunday the 19th I will need lots of volunteers to help with cooking, parking, cleaning, etc. This is a busy day and we need lots of help!!!
- On Monday the 20th I will need 4-5 people to help return all the borrowed equipment. Thanks in advance for all the help!
- The dates have been picked for our summer events. July 9th will be our annual club picnic and August 6th will be our annual fun fly.
- Fred Eberhardt's recovery from a car accident is nothing short of a miracle. He has been out to the field several times in the past few weeks and has even flown once. He is an inspiration to me for sure. Keep up the good work Fred!
- Our friend Gerd Wirickx is also recovering from a tractor accident. He is in the VA hospital, 4th floor. Wish him a speedy recovery! His address is: 4281 New Seneca Trnpg, Marcellus, NY 13108
- The sound issue at the field has been resolved for now. One member has resigned and 2 others have agreed not to fly their louder aircraft at the field. I commend these guys for stepping up to do the right thing. I am quite proud of them. I have been checking aircraft and so far everything I've seen out there easily meets our sound requirements. Good job everyone!
- The AMA District II Fun Fly is on August 27th and 28th in New Jersey. Looks like it is a 3 1/2 hour drive from Syracuse. Poster on page 3.

See you soon!

Herb.
