### President's Message:

Our Family Christmas Party is upon us! Yay!  
**Please read this, it is very important!**

As was the case last year, we are required to have a complete list of **all attendees** at the guard house before the event. I sent out an email a few days ago and many of you have already responded. Thanks. If you haven't yet responded or don't have email, please call me, text me or let me know somehow if you and guests plan to attend. **First names and last names please.** The list will be submitted first thing Friday morning so I need to hear from you by **Thursday evening.** Thanks!

- The planning for the 21st annual Model Forum is under way. It will be on Jan 21st at the Syracuse Academy of Science. The next planning meeting will be on Friday, Dec 16th at the CIA Gym, 7:30. We welcome fresh ideas!
- We received a plaque recognizing us for being an AMA leader club for the last 10 years. It will be hung in the impound shed when the weather gets nicer.
- Our annual New Years Day Fly-In will be on, guess when, you're right, New Years day! The fun starts at 11 AM. The club will provide burgers, dogs and sodas. We will meet at the main hangar, as we usually do.
- Just a reminder, with winter approaching, along with the potential for bad weather, our meetings will follow the schedule for the Marcellus Schools. If school is cancelled for the day, our meeting is also cancelled. If afternoon and evening activities are cancelled at the school, our meeting is also cancelled.
- Membership dues can be paid at any time. Kevin will be happy to take your money! Remember to renew before Jan 31st to avoid the \$5.00 late fee!
- Starting in January, we will be raffling off a prize of some sort at our club meetings. If you show up you get a ticket. If you provide an article for the newsletter you will get an extra ticket. If you bring in something significant for show and tell you get an extra ticket. If you do a demo at the meeting you get 2 extra tickets.
- Club member Rocco Mangano has some airplanes for sale. I'll have details at the Christmas Party.

**Remember- I need names for the Christmas Party! See you there!**

### International ARCS! We are internationally recognized! Here is a submission from Al Metz:

In 2013 our German visitors came to our funfly and I gave Linda's childhood friend an ARCS cap and she has taken it on vacations ever since. "Show Al his AeroClubCap gets all over the place..." (This greeting comes from sunny Cyprus!)

So I asked if I could put her picture in the newsletter and she said we can use her picture but not her name. Shy little Fraulein that she is.
