### President's Message:

Good news! The days are getting longer.

- We had a great Christmas Party again at Anheuser Busch. Thanks to Kevin for hosting it again for us!
- Our New Year started off the right way with a gathering of good friends at the airport. About 25 people attended. There was good food, good friends and some good flying for a few of us.
- The 21st annual Model Forum will be on Jan 21st at the Syracuse Academy of Science. The final planning meeting will be on Friday, Jan 13th at Walt's Hobbytown, immediately after our meeting (7:30 ish).
- Speaking of the Forum, we also want a good showing for the static display. Please bring something!
- Remnder, the set-up for the forum will be at 6PM on Friday the 20th. Please stop by to help.
- Just a reminder, with winter approaching, along with the potential for bad weather, our meetings will follow the schedule for the Marcellus Schools. If school is cancelled for the day, our meeting is also cancelled. If afternoon and evening activities are cancelled at the school, our meeting is also cancelled.
- Membership dues can be paid at any time. Kevin will be happy to take your money! Remember to renew before Jan 31st to avoid the \$5.00 late fee!
- Be sure your AMA is paid up too.
- Starting in January, we will be raffling off a prize of some sort at our club meetings. If you show up you get a ticket. If you provide an article for the newsletter you will get an extra ticket. If you bring in something significant for show and tell you get an extra ticket. If you do a demo at the meeting you get 2 extra tickets.
- Club member Gregg LaPoint has some transmitters for sale. See page 2.
- There have been many rumors about JR closing down. Here's a link to their official announcement: <http://www.jrpropo.com/english/news/contents.php?no=3537> According to this they are moving production to Malaysia. They may not admit to shutting down yet but they certainly are winding down.
- Don't miss the STARS Auction on Friday the 27th at Walt's Hobbytown. Maybe you can get a good deal on some JR gear.

**See you at the meeting**

## Xmas Party Photos– 12/9/16

Ok, the photo is a little crooked but it was taken by my grandson Calvin who was 22 months old at the time.

Mike Gosson cheerfully presents Al Metz with a very useful “Aircraft Recovery Bag”.

Club member Gregg LaPoint has two Futaba Radio Systems for sale. They are both a couple of years old and in excellent shape.

The 10CG includes a 14 channel receiver, charger and switch harness.

The 14SG is transmitter and charger only.

He's looking for \$200.00 each.
