President's Message:

Best News Ever! We no longer need to be registered with the FAA Yipee!!!

- On May 20th, a few club members attended the OMAC Fly in at Kritz Farms. All pilots got a free voucher for a meal. The weather was perfect. The field had been freshly mowed but was taller than we'd like it and thicker too. Take offs and landings were "interesting". It was a little like velcro. Thanks to the OMAC club for inviting us.
- On Saturday June 3rd, The MOST is having their annual Rocket Challenge. It will be held at Skytop on the south end of the SU campus. We will have a couple of tables set up with some static displays. We will also be giving out balsa airplanes (donated by the AMA) to the participants. I would like a few volunteers to help out. In the past food has been provided. It runs from 8AM to 2PM. Here's a link for more information. <http://www.most.org/learn/outreach-events/cny-rocket-team-challenge/>. If you need more info, call or email me.
- The Fathers Day Pancake Breakfast is only 3 weeks away. We need volunteers especially the day of the event! Here's the schedule:
 - Friday, June 16th, 8 am-2pm: Need a few helpers to pick up tables and chairs, and do some preliminary cleaning and set-up.
 - Saturday, June 17th, 8AM-Noon: Final set-up and pick up food.
 - Sunday June 18th 7AM-1PM: Need LOTS of helpers to cook, bus tables, and help with the clean-up afterwards.
 - Monday, June 19th, 8AM-noon: Need a few people to help return the tables and chairs.
- Last year we were a little short of helpers. I hope more people can step forward this year to help out. This is a great opportunity for our club to get some positive PR.
- Our annual family picnic is scheduled for Saturday, July 8th. It will start around noon. Club will provide burgers, dogs and sodas. Bring a small dish to pass. Bring your family. Bring aircraft!
- CNY STEM Summer Camp for Young Women, July 24-28. We've been asked to do some kind of program at this event. I don't know any details yet but I'll keep you posted.
- Our annual fun fly will be on Saturday, August 19th. Club will provide burgers, dogs and sodas. This will be open to other clubs.
