President's Message:

I hope everyone had a nice Thanksgiving. Now that it's December we have to deal with endless parties. Ours is this Friday!

- Directions to the party are on page 2. Same location as in previous years. I need full names of all attendees, club members and family members. I will be adding to last years list so if you came last year, you're all set. If you didn't come last year you need to contact me by Thursday so I can get you on the list. Some people have already contacted me so you are all set. Special thanks to Kevin for setting this up!
- We had AED/CPR training last month. 14 club members and guests attended. The session was very well done and I think we all got a lot out of it. Attendees were Herb Ziegler, Al Metz, Kevin Kiniry, Dave Robin, Jeff Phoenix, Warren Fengler, Lane Russell, Phil Artese, Melissa Bowhall, Dave Kennedy, Bruce Silvers, John Spencer, Linda Spencer and Mike Gosson. If you're flying and any of these people are at the field you can feel a little safer.
- The forum will be Feb 3rd. A third organizational meeting is planned for the 15th at 7:30 at the CIA flying site. If you haven't been involved in the past, please feel free to attend. New ideas and faces is what makes this event a success.
- We had a table at Walt's Secret Santa Sale. There was lots of interesting things this year and lots of prizes given away.
- We will have some items to raffle at the Christmas party. Bring your luck with you. No bending of raffle tickets or applying sticky stuff. You know who you are (Dave and Rick)...
- Mark your calendar- Jan 1st, 11 AM is our annual NYD fly in. We will meet at the main hangar (heated). The club will provide burgers, dogs sodas and chili. Feel free to bring something to pass if you want. Bring aircraft to fly!

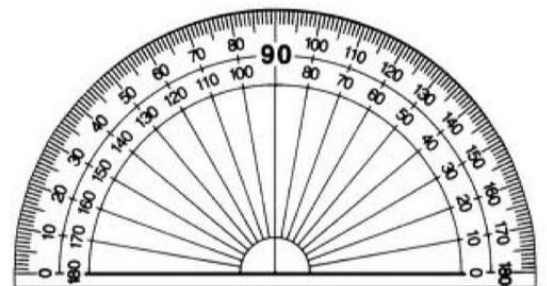

See you at the Party!
