President's Message:

So the holidays are behind us. Now begins the winter hibernation. But don't sleep too soundly or you'll miss all the stuff going on.

- The Christmas party was a great success. There were 41 attendees, lots of food and great conversations. Thanks to everyone who made it out. Thanks to Kevin and Leslie Kiniry for all the hard work to make this so easy and nice for the rest of us.
- Our annual New Years Day fun fly was also lots of fun. Although it was around zero degrees, there was no wind and it was bright and sunny. Jeff Phoenix did all the cooking. Nice job Jeff! 15 people attended, most of which stayed indoors soaking up the heat. A few of us did fly our aircraft. It was a really nice time.
- The forum will be Feb 3rd. A third organizational meeting is planned for the 9th at 7:30 at the CIA flying site. If you haven't been involved in the past, please feel free to attend.
- Please bring aircraft for static display to the Forum. This is what makes our event unique!
- Don't miss the STARS Auction on Friday the 19th. The auction starts at 6 at Walt's Hobbytown.
- Mike Gosson is organizing a Pattern Contest. It will be held at our field probably the 3rd or 4th weekend in July. More details to follow.
- Rick Peck's Bandit was featured in the latest Model Aviation magazine. Congratulations Rick. We all knew you before you became famous!
- Good things don't last. The FAA registration is a requirement again.
- As many of you know, I had a DX9 battery failure that cost me an airplane. I don't want to see this happening to anyone else so I put together a small write-up about my findings. I'll distribute it along with this newsletter.
- Even though I lost my GWS Tigermoth 400, as luck would have it I found another one at a swap meet. I built it up and maiden it on New Years Day. It flew great, just like the old one I had from Doc Schwarz.
- Just a reminder of our Winter Weather Meeting policy: If the Marcellus school district cancels classes or evening activities due to weather, our meeting will be cancelled too. If it is questionable be sure to check for closings before venturing out.

See you at the meeting!

Herb.
