### President's Message:

I hope everyone enjoyed their Whistlepig Day on Friday. The Whistlepig saw his shadow so there will be 6 more weeks of winter. The last few weeks have been very busy. No time to be a couch potato.

- The STARS Auction was held on Friday the 19th. A little smaller than in previous years but lots of bargains to be had.
- The forum was held on Feb 3rd. Even though there were a few last minute cancellations, it went very well. I think everyone had a good time and there were lots of things to see and do. The attendance and profit numbers were almost exactly the same as last year. We had a good number of static displays. Many members from our club and many other local clubs helped out with the set-up, operation and take-down of the event. Too many to mention here but thank you soooooo much! A special shout-out to Melissa Bowhall who takes care of the entry table and organizing the raffle. She is tireless! Thanks Melissa!
- Don Desalvatore from the FLAPS has created an RC events calendar for the year. A lot of effort went into this and it is really nice. I'll have mine with me at the meeting.
- Ed and Matt from RCCR had their vinyl cutter at the forum. They have created many local club logos including ours. I'll have a sample at the meeting for you to look at.
- There seems to be a lot of interest in AMA Expo East this year. We'll plan our trip at the meeting on Friday.
- There has also been interest in the Toledo show. We'll talk about that at the meeting too.
- Mike Gosson is organizing a Pattern Contest. It will be held at our field probably the 3rd or 4th weekend in July. More details to follow.
- Club officers will be elected at the March Meeting. If you are interested in President, Vice President, Secretary or Treasurer, let me know so I can get your name in the next newsletter.
- Just a reminder of our Winter Weather Meeting policy: If the Marcellus school district cancels classes or evening activities due to weather, our meeting will be cancelled too. If it is questionable be sure to check for closings before venturing out. Feel free to call me if you're unsure. If I know we are going to cancel I'll send out an email.

**See you at the meeting!**
