President's Message:

With the wind and rain, it's been a slow start to the flying season. It looks like things are finally turning around now so let's get out there and fly!

- The most important thing for now is the Pancake Breakfast. We will need helpers on these days:
 - Friday the 15th– Get tables, chairs, etc and clean the hangar
 - Saturday the 16th– set up grills, pick up food
 - Sunday the 17th– Need lots of helpers to cook, clean tables, etc.
 - Monday the 18th.– Return borrowed items.

Like we did last year, there will be an incentive prize for ARCS volunteers. For every hour you put in, you get a raffle ticket. Winner will be drawn after the 18th.

Please make every effort to help out at this event. This is a good fund raiser for this and also great for the club's recognition in the community!

- The Southern Tier Aero Radio Society has their annual fun fly on July 7th and 8th in Olean. See the info on Page 2. Try to go to this one. It's huge!
- Our club picnic will be on July 14th. This coincides with the EAA chapter 1017 fly in so there will be lots of activity at the airport.
- Our Pattern contest will be on July 28th. We will need a few helpers and hopefully some pilots to try out the Club Class event. Mike Gosson has been providing instruction on Monday evenings but participation has been light.
- Our annual fun fly will be on August 11th. This is on National Model Aviation Day.
- On August 25th there is another fun fly . The first annual "Fly the Rock". See the info on Page 2. Lets give them a good showing for their first event!
- The area around our field has been planted with soybeans. When recovering aircraft, please be mindful of the crops and trample as little as possible.

See you at the breakfast!

Herb.

Days of event only: 607-220-6128

The Dundee Flying Club is proud to present its first annual "Fly The Rock". Fun Fly. This event is open to all AMA members with all aircraft, jets, turbines, prop, duct fan, helicopters, quad copters, all scale.

There is onsite camping for campers and tents starting at 12 noon on Friday August 24th, 2018. Bring a dish to pass for dinner on Friday night for campers. The Dundee flying Club will have lunch available. RC swap meet (Please bring all your RC related items you want to sell), static display of RC planes, also largest vintage RC engine collection on display.

Pilot registration. There is a \$10 landing fee per pilot. Must have current AMA or MAAC card to fly. All AMA rules apply. Safety meeting at 9am. Flying starts promptly after that.

We will be using 2800' grass and asphalt runways.

Public Welcome!
