President's Message:

Summer is in full swing now! Activity has been good at the field. Here's some things you need to know about:

- The pancake breakfast was a huge success! There were around 1100 customers. The weather was perfect and we had a good group of volunteers. Many thanks to everyone who helped out. It's really great to see everyone pull together like this. Our portion of the profit was \$1766.60 after expenses.
- We had an worker's incentive program again this year at the breakfast. For every hour worked, you got a raffle ticket. Art Dudden was the proud winner of an Eflite UMX Timber. Congratulations Art and thanks for the many hours you put in!
- The Southern Tier Aero Radio Society had their annual fun fly on July 7th and 8th in Olean. A few of us participated in this. It was a great event with lots of things to see and do. The weather was nice with the exception of a fairly constant crosswind of maybe 15 MPH.
- Our club picnic will be on Saturday, July 14th. This coincides with the EAA chapter 1017 fly-in so there will be lots of activity at the airport. The club will provide burgers, dogs and drinks. Please bring a small dish to pass. Bring your family and aircraft.
- On Sunday the 15th, Kirk will be doing his annual Chicken BBQ, starting at noon. This is absolutely the best! Stop by and see for yourself what an old bulk propane tank can do in the right hands!
- The Sky Rovers (Phelps, NY) annual Air Show is on July 21st and 22nd from 10 to 4 each day. This is a good event! Try to get there. For more info: www.skyrovers.org/airshow.html
- Our Pattern contest will be on July 28th. We will need a few helpers and hopefully some pilots to try out the Club Class event. Mike Gosson has been providing instruction on Monday evenings.
- Our annual fun fly will be on August 11th. This is on National Model Aviation Day. Again we will provide food and drinks.
- On August 25th there is another fun fly. The first annual "Fly the Rock". See the info on Page 2. Lets give them a good showing for their first event!
- Long time club member Don Sherman is in St. Camillus rehab. He is not expected to be going home anytime soon. In the next few days I'll be picking up some of his aircraft to distribute. We just want some donations for the aircraft. He's in room KB-87 if you want to send a card or visit.

ARCS Annual Fun Fly

Saturday, August 11, 2018
Noon 'til 4PM

In celebration of National Model Aviation Day

At the ARCS Field, Marcellus Airport, 4910 Limeledge Rd.
Marcellus, NY 13108

GPS Coordinates: N 43°00.634', W 076°21.142' (WGS 84)

Club will provide Burgers, Dogs, Sodas

General Rules:

- AMA Membership required
- Radio impound in effect for 72 MHz. Frequency pin required before turning on transmitter
- No flying over pits or full-size runway
- No taxiing into pits
- No more than 3 planes in the air at a time

There will be open flying throughout the day. No competitive events are planned.

Airplane Raffle: Vapor Lite HP and an Ares Spidex 3D, Donated by Bruce Throne.
Winners will be drawn!

When arriving at the airport, be sure to stay to the right and follow the gravel road to the model field. Yield to any full-size airplane traffic.

Come Fly "The Rock"

August 25th 2018
9AM to 4PM

Re-Dun Field
 2441 Chase Rd.
 Rock Stream, NY 14878
 Contact Rich: 607-387-1753
 rwoodworkerone@gmail.com
 Days of event only: 607-220-6128

The Dundee Flying Club is proud to present its first annual "Fly The Rock". Fun Fly. This event is open to all AMA members with all aircraft, jets, turbines, prop, duct fan, helicopters, quad copters, all scale.

There is onsite camping for campers and tents starting at 12 noon on Friday August 24th, 2018. Bring a dish to pass for dinner on Friday night for campers. The Dundee flying Club will have lunch available. RC swap meet (Please bring all your RC related items you want to sell), static display of RC planes, also largest vintage RC engine collection on display.

Pilot registration. There is a \$10 landing fee per pilot. Must have current AMA or MAAC card to fly. All AMA rules apply. Safety meeting at 9am. Flying starts promptly after that.

We will be using 2800' grass and asphalt runways.

Public Welcome!
