President's Message:

Fall is here. Its getting colder, windier and darker. Time to start up our monthly meetings.

- We had a busy summer with 3 events, Our Pattern Contest, Picnic and Fun Fly. The results of our raffle and selling off Don Sherman's planes allowed us to donate \$350.00 to the AMA foundation. Thanks to all that contributed.
- Many other clubs had events this summer. I was able to attend some of them including the Dunkirk Flying Club, Southern Tier, Flaps, STARS and the NEAT Fair. Some photos are on the next pages.
- I did a repair on the roller that we use for our field. It is quite a piece of machinery! It is made from a street roller but the hitch mechanism was a little crude and was falling apart. With a fair amount of cutting, fabricating and welding it is ready for many more decades of service. The key to success with this thing is to roll the field shortly after a good soaking rain. Only then will the ground be soft enough. It can be pulled by our mower but keep in mind the thing weighs about 2500 pounds so go a little slower than you would normally go when mowing.
- Ed Britton from RCCR is again putting together a calendar of swap meets. Many of them are TBD's for now but I'll include them on page 4 when the dates are firmed up.
- The FAA Reauthorization act has been signed into law. For now we are to continue flying by all the AMA rules just like we always do. The AMA will keep us posted on the changes we may need to make.
- I was contacted by a person who is handling an estate sale in Baldwinsville. This guy was a hoarder, to put it mildly. There is tons of stuff! There are boxes and boxes of small Gullows kits, many plastic model kits, many control line kits, many vintage RC kits, lots of engines, some partially completed air-planes and a few complete ones. Most of it seems to be from the '80s and '90s. I opened a couple of the boxes and they seemed to be complete and in good condition. These people want to sell this stuff so prices will be very reasonable. If you are interested you must contact Becky Mancini to arrange a viewing. Her number is 315-729-7648, email is jmancini1935@yahoo.com. I am told the actual estate sale will be toward the end of October. I'll send that info along when it is known. They would be happy to sell off the stuff any time before the sale.

See you at the meeting!
