President's Message:

So, since we set the clocks back there will be no more evening flying. Don't worry, there's plenty to do.

- As I'm sure you all know by now, Dave Mathewson has passed away. His lifetime passion was RC aircraft. We probably wouldn't be flying now if it wasn't for Dave. We all lost a good friend and ally. He will be missed.
- Walt's Hobbytown will again have a Secret Santa Sale on November 17th. We will have a table at the event to introduce people to our club. Walt is planning a tribute to Dave Mathewson at around noon. Please attend.

(Continued on page 2)

- The Empire State Drone Expo will be on Saturday the 17th and Sunday the 18th. It conflicts with the Secret Santa Sale. Saturday's events will include drone racing and Sunday will be more for open, indoor flying. For more information, see <https://www.empiredroneexpo.com/>.
- There have been a few swap meets in the area. One in Phelps and one in Rotterdam. Both had excellent stuff and prices seemed quite reasonable. There's another one in Frankfort this Saturday. <https://www.mvfirebirds.com/mv-firebirds-2018-rc-swap-meet-and-flea-market.html>
- In the next day or so I will be taking the mower home for winter storage and service. If there are any issues with it please let me know and I'll take care of it.
- The Model Forum will be held on March 2nd, 2019. That's later than we usually do it but it was the only time we could get the facility. Thanks to the tireless efforts of Linda Spencer for making this happen. The next planning meeting will be at the Secret Santa Sale at around 4PM.
- The FAA Reauthorization act has been signed into law. For now we are to continue flying by all the AMA rules just like we always do. The AMA is very optimistic. One of the main points is that the AMA is recognized as an official community based organization. This will allow us to help shape the regulations into something we can live with. They will keep us posted on the changes we may need to make. There is lots of information on the AMA web site.
- The estate sale that was mentioned earlier is over. Some club members went there before the sale and bought some stuff, others went during the sale and got lots of bargains.
- Kevin has again secured the Anheuser-Busch facility for our Christmas Party. More details will follow but as in previous years we'll need to know names of all attendees ahead of time.

See you at the meeting!

Herb.
