### President's Message:

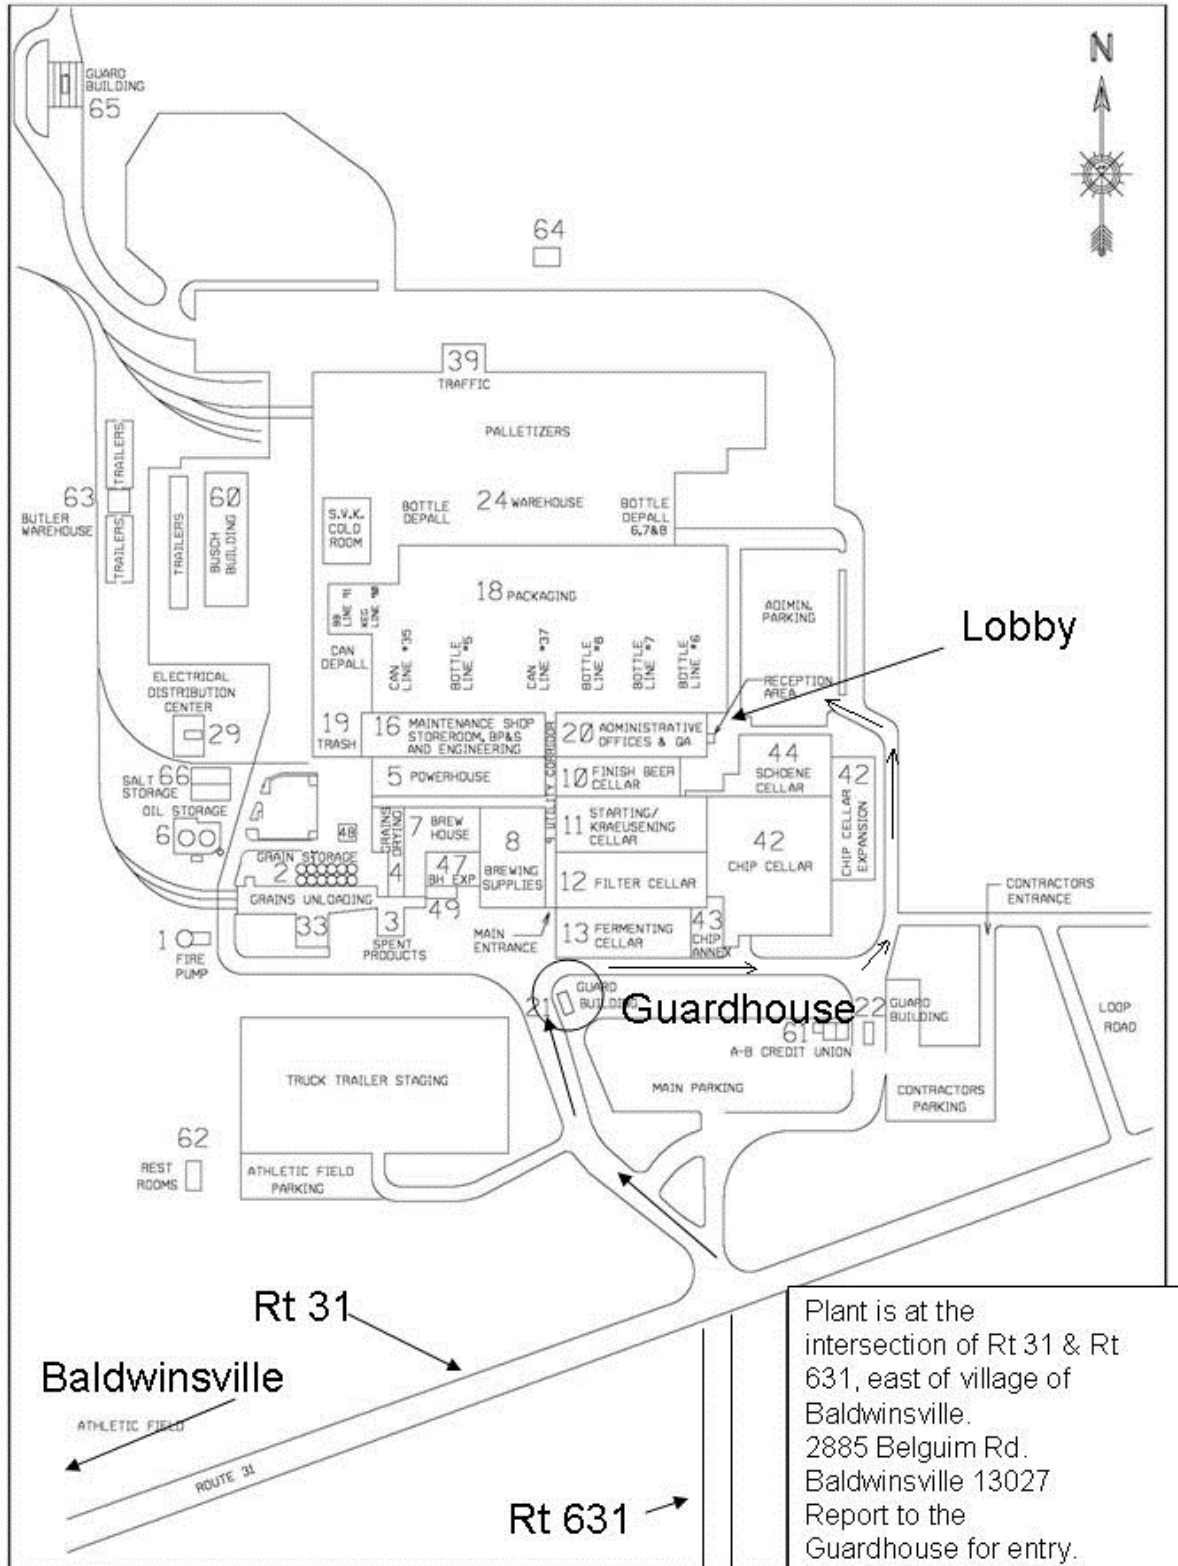

The holiday season is here. That means a party!

- Our annual holiday party will be at the Anheuser-Busch facility, as it has been in previous years. I need to provide the security personnel with a list of everyone attending so please **Let me know as soon as possible who will be attending!** Call or email or text me! Many have already contacted me. Thanks! Festivities start around 6:30.
- Walt's Hobbytown held its Secret Santa Sale on November 17th. We had a table at the event to introduce people to our club. Walt gave a nice tribute to Dave Mathewson at noon. We sure will miss Dave.
- At the last meeting we voted unanimously to re-name our field the Dave Mathewson Memorial Flying Field. Mike Gosson took charge and had the sign updated. It was unveiled at the Secret Santa sale. See photo on page 3.
- The Empire State Drone Expo was held at the fairgrounds on the 17th and 18th. It is a huge facility and there was a lot of flying going on. There was some hope that this could be an annual event but we'll see if the facility will be offered again for free. Seems doubtful.
- I brought the mower home for servicing. In the few weeks that it sat idle at the field a family of mice built a nest inside the engine. They have an appetite for spark plug wires so I have some work to do to get it back to proper operation. Not a big deal, this has happened before. There was also a snake carcass in the shrouding. Hmm. Based on this we decided at the last meeting that we should build a new tractor shed with rodent proofing in mind.
- The Model Forum will be held on March 2nd, 2019. That's later than we usually do it but it was the only time we could get the facility. The next planning meeting will be at the CIA site, Jan 18th at 7:30.
- A note about FAA renewals- If you signed up for your FAA numbers at the beginning, they would normally be expiring about now. The FAA has extended them until Dec 31, 2019 so you don't have to renew yet.
- Please be sure to renew your AMA and club memberships as soon as possible. Kevin will cheerfully take your money.
- On Tuesday, Jan 1st we will have our annual New Years Day fun fly. The club will provide burgers, dogs sodas and chili. Starts around 11AM at the main hangar. I hope to see you there!

**See you at the party!**
