### President's Message:

The holidays are over so its time to settle down and build something.

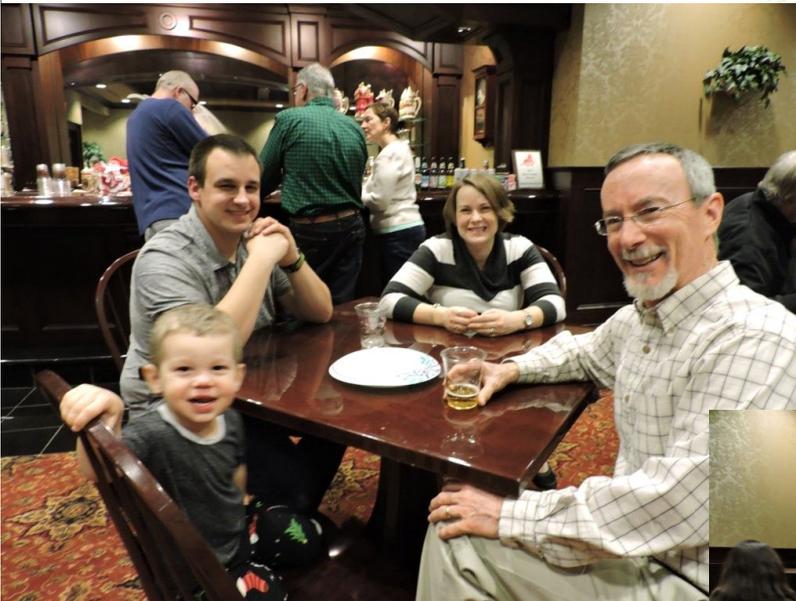

- We had a great holiday party at the Anheuser-Busch facility. 41 members and guests attended. Thanks to Kevin Kiniry for setting this up!
- On New Years Day we had our annual fun fly. It was a little muddy but extremely windy. 13 people attended. I got a flight in with my Tigermoth which was very interesting. A 1 lb foam airplane with a lot of wind, quite a handful. It all ended well without incident. What some people will do in the name of tradition. Other folks wiser than me left their aircraft at home.
- The Model Forum will be held on March 2nd, 2019. That's later than we usually do it but it was the only time we could get the facility. We'll be looking for lots of static displays so plan on bringing some of your favorites. Since it is a month later than usual, there is more time to complete new projects and bring them in for display. The next planning meeting will be at the CIA site, Jan 18th at 7:30.
- The STARS will have their annual auction at Walt's Hobbytown on Friday the 25th. It opens at 5 and bidding starts at 6. Bring stuff to sell and more importantly, bring your wallet and buy stuff.
- There are a few swap meets and events in February. Take a look at the calendar on page 4.
- A note about FAA renewals- If you signed up for your FAA numbers at the beginning, they would normally be expiring about now. The FAA has extended them until Dec 31, 2019 so you don't have to renew yet.
- Please be sure to renew your AMA and club memberships as soon as possible. Kevin will cheerfully take your money. Renew your club membership before Jan 31st to avoid the \$5.00 late fee.
- If you're itching to fly during the winter, talk to Phil Artese or me. The Camillus Indoor Aviators are going strong, a couple of miles from our field. Dues are cheap and it's nice and warm in the gym.
- **A reminder of our Bad Weather Policy:** We will follow the closing schedule for **Marcellus Schools**. If school is cancelled or if afternoon activities are cancelled due to weather, our meeting will also be cancelled.

**See you at the meeting!**
